Agenda

Building Trust Between Minorities and Researchers: A National Bioethics Research Infrastructure Initiative
The Drake Hotel • Chicago, IL
May 4, 2010 • 8:30 AM-12:30 PM

FACULTY

Stephen B. Thomas, PhD
Inaugural Philip Hallen Professor of Community Health and Social Justice
Graduate School of Public Health
University of Pittsburgh

Sandra Crouse Quinn, PhD
Associate Dean for Student Affairs and Education; Director, Peace Corps Master's International Program
Graduate School of Public Health
University of Pittsburgh

David Barnard, PhD, JD
Professor of Medicine and Law
Center for Bioethics and Health Law
School of Medicine
University of Pittsburgh

Jonas Chaney
Standardized Patient at the Advanced Clinical Education Center
School of Medicine
University of Pittsburgh

This half day program will feature a series of lectures, interactive discussions, and case studies for informed consent simulations. The experienced presenters leading this program will focus on the confluence of both minority participants and researchers in the context of recruitment and retention processes and informed consent for clinical trials research using innovative methods.

Tuesday, May 4, 2010*
