

# SCHOOL OF PUBLIC HEALTH

Celebrating Ten Years | 2007 – 2017

## **SPH Student & Alumni Mentor Program: 2017-2018**

### **An SPH Alumni Association Professional Development Program**

The SPH Alumni Association welcomes you to apply for the brand new Student and Alumni Mentor Program, meant to enrich the professional lives of student mentees and alumni mentors!

#### **Mentees will:**

- develop a meaningful relationship with a professional
- explore a career and gain uncommon insights
- set career trajectory goals
- become more adept in professional networking

#### **Mentors will:**

- gain first-hand knowledge from students on the SPH
- give back to their University community
- assist mentee in career exploration
- help students find connections in their industry of interest

Program requirements include:

- attendance at the Kickoff—Thursday, October 12<sup>th</sup> at the School of Public Health
- monthly interaction with mentee/mentor from October 2017-May 2018 (8 times)

**Consider virtual meetings** via Skype or Google Hangouts; phone meetings; or by email to share relevant articles, videos, and online tools for Mentee.

**Get to know your Mentee in-person** over coffee or a meal; shadowing at your office site; networking; participating in a service activity, social event, or sporting event; or attending an event meetup, such as a lecture or professional association workshop.

**Apply if you wish to be more involved at the School of Public Health and want to dig deeper into the world of public health professionally!**

To apply for the Mentoring Program,

- students may apply using [this form](#)
- alumni may apply by completing [this form](#)
