1. Approval of February minutes

2. Announcements Updates
   a. The community gardens event will be held on March 23rd
   b. The Arts and Health Community Forum “Talking about Sex” at Central High School was an excellent program and was well received by the attendees.
   c. The 4th Annual Health Summit will take place this year on May 10th, 2013 at the University of Maryland. The goal is to engage and educate the community, specifically 10th and 11th graders and senior citizens, about HIV risk reduction through creative expression. The three workshops will be (1) Artistic Physical Experience, Community Team Building (2) HIV Workshop (3) CREATE Leaders. The partnership suggested having an incentive of food and community service hours for the high school students. Also the PRC should involve musicians, dancers and artist from the community. The partnership will be provided with more information closer to the Health Summit.

3. Prince George's County Parks and Recreation
   a. The Seat Pleasant Activity Center will open at 6am on Tuesdays and Thursdays (the Sports and Learning Complex is opened at 6am Mondays, Wednesdays and Fridays) to encourage residents to work out before work. The fee is $40 for 3 months and $115 a year. The partnership could help promote this pilot opening by putting flyers in the Save-A-Lot and Family Dollar. Mayor Grant is looking to evaluate this pilot opening to see if it increases the activity level of the community in the activity center.

4. March is National Kidney Month
   a. The partnership has a kidney education program which could be provided to residence by Dr. Desmond and Kyrthlyn.
   b. Jeannine suggested having a calendar created in December for the following year which lists the activities and events the partnership plan/participates in to ensure planning begins in a reasonable time frame.
   c. The Seat Pleasant Newsletter has a section where the partnership has provided health related information for each month. Denise Akers’ volunteered to bring her churches list of month health focuses in order for the partnership to begin their own. Dr. Desmond stated it is possible for her to make it an assignment in her class.

5. Projects we are sponsoring with MD students

Our next meeting will be Tuesday April 9, 6:00pm at the Seat Pleasant Activity Center
a. Dr. Desmond’s class is preparing for a Health Fair on May 4, 2013 (Seat Pleasant Day) in Seat Pleasant and asked how and where they should promote the health fair. The partnership suggested that the class advertise in schools, local newspapers, the town hall outdoor sign and local radio stations. Some radio stations suggested were 104.1, 93.9, 102.3, 96.3, 95.5 and 91.9 (all FM stations). Some newspapers suggested were the Gazette, African American Informer and Washington Civic Association.

6. By-laws
   a. Chikezie and Sharon will schedule a time to meet to further discuss the details of the By-Laws

7. Need Additional Board Members
   a. Members are asked to contact two friends, ministries of health at churches and other community members by next month to increase the number in attendance of meeting.

Minutes respectfully submitted by Jeannine Bulbulia
