Notarization. I have read the following and certify that this curriculum vita is a current and accurate statement of my professional record.

Signature:

Date: 09/01/22

EDUCATION

- 2014 Ph.D. Florida State University, Family and Child Sciences: Specialization in Family Relations, Graduate Certificate in Measurement and Statistics
- 2010 M.S. Purdue University Calumet, Child Development and Family Studies: Specialization in Marriage and Family Therapy
- 2008 B.S. Central Michigan University, Family Studies and Psychology (dual), *summa cum laude*

PROFESSIONAL EXPERIENCE

- 2020 – Deputy Director for Research and Evaluation, UMD Prevention Research Center
- 2019 – Core Research Scientist, UMD Prevention Research Center
- 2018 – Faculty Affiliate, Maryland Population Research Center
- 2018 – Assistant Professor, Department of Family Science, School of Public Health, University of Maryland, College Park
- 2015 – 2018 NIH Postdoctoral Research Fellow, Population Research Center, Human Development and Family Sciences, University of Texas at Austin
- 2014 – 2015 NSF Postdoctoral Research Fellow, Frances McClelland Institute for Children, Youth, and Families, Family Studies and Human Development, University of Arizona.

Symposium on Other letters: Hidden Diversity among LGBTQ. Paper presented at the National Council on Family Relations Annual Conference in Vancouver, British Columbia.
8. Day, J. K., **Fish, J. N.**, Russell, S. T., & Grossman, A. H. (2015, November). *GSAs, affirmative policy, and LGBQ student perceptions of school support*. Symposium on LGBT youth in community contexts. Paper presented at the National Council on Family Relations Annual Conference in Vancouver, British Columbia.
7. **Fish, J. N.**, Day, J. K., ‡Tanaka, A. A., Russell, S. T., & Grossman, A. H. (2015, May). *LGBQ social support profiles and their associations with mental health and substance use*. Paper presented at the 3rd Annual LGBT Research Symposium in Champaign, Illinois.
6. ***Fish, J. N.** & Pasley, K. (2015, March). *Sexual minority youth mental health: Outcomes over time and the influence of context*. Paper presented at the Society for Research in Child Development Conference in Philadelphia, Pennsylvania.
5. Maier, C. A., **Fish, J. N.**, & Priest, J. B. (2014, November). *Substance abuse treatment response in a Latino sample: The influence of family conflict*. Paper presented at the National Council on Family Relations Annual Conference in Baltimore, Maryland.
4. ***Fish, J. N.** & Pasley, K. (2014, May). *Reconstructing the mosaic: Why intersectionality matters in sexual minority research*. Paper presented at the 2nd Annual LGBT Research Symposium in Champaign, Illinois.
3. **Fish, J. N.**, Roberson, P. N. E., & Fincham, F. D. (2013, October). *Romantic relationships predict later college adjustment*. Paper presented at the Society for the Study of Emerging Adulthood Biennial Conference in Chicago, Illinois.
2. **Fish, J. N.** (2013, May). *The interpersonal context of self in society: Incorporating relational influences and identity into minority stress theory*. Paper presented at the 1st Annual LGBT Research Symposium in Champaign, Illinois.
1. Pavkov, T., **Fish, J. N.**, & Wang, C. (2011, March). *An exploratory analysis of factors associated with delinquency: A focus on American Indian/Alaska Native youth*. Paper presented at A System of Care for Children's Mental Health: Expanding the Research Base Annual Conference in Tampa, Florida.

Selected Peer-Reviewed Poster Presentations

27. +Berman, Z. L., Mittal, M., Falconier, M.K., & #**Fish, J.N.** (2022, June). *Are we ready to serve? Couple and family therapists' attitudes toward BDSM and their perceived competence to help BDSM practitioners*. Poster presented at the American Association of Sex Educators, Counselors, and Therapists (virtual).
26. **Fish, J. N.**, Watson, R. J., & Denary, W. (2022, March). *Differences in depression severity and substance use comorbidity by state-level LGBTQ youth policy contexts*. Poster presented at the Society for Research in Adolescence Biennial Conference. New Orleans, LA.
25. +Tomlinson, K. V., Watson, R., & Smith-Bynum, M., & #**Fish, J. N.**, (2021, November). *Family support, rejection, and connectedness: Family context and SGM youth mental health and substance use*. Poster presented at the National Council on Family Relations Annual Conference (virtual).
24. ‡Pease, M., +Williams, N. D., Iwamoto, D. K., **Fish, J. N.**, & +Salerno, J. P. (2021, May). *Transgender minority stressors and their associations with severe psychological distress*. Poster presented at the National LGBT Health Conference (virtual).

23. ‡Winer, B. & **Fish, J. N.** (2021, April). *Shifting tides and federalists patchworks in LGBT health policy: Apply the ILGA-EU human rights indices to an American context*. Poster presented at the 2021 Public Health Research Day at Maryland (virtual).
*First place poster winner
22. Salerno, J.P., Kachingwe, O., Boekeloo, B., **Fish, J.N.**, Geddings-Hayes, M., & Aparicio, E. (2020, October). *Feeling unsafe and threatened: An interpretative phenomenological analysis of the sexual health needs of lesbian and bisexual girls in foster care*. Poster presented at the American Public Health Association Annual Meeting (virtual).
21. +Kachingwe, O. N., +Salerno, J. P., Boekeloo, B. O., **Fish, J. N.**, Geddings-Hayes, M., Aden, F., & Aparicio, E. M. (2019, Nov). *Sexual health among youth in foster care: The role of social media*. Poster presented at the American Public Health Association Annual Meeting & Expo in Philadelphia, Pennsylvania.
20. Watson, R. J., Eaton, L., **Fish, J. N.**, & Poteat, V. P. (2019, Oct). *Internalized stigma's link to alcohol use in a US national sample of LGBTQ youth*. Poster presented at the Together Against Stigma conference in Singapore.
19. +Kiekens, W. J., **Fish, J. N.**, Gordon, A. R., & Russel, S. T. (2019, July). *Discrimination, victimization, and hazardous drinking among LGB adults in the US: Findings from population-based data*. Poster presented at Growing Together: Celebrating Diversity and Fostering Inclusion. University of Groningen Lustrum 2019. Groningen, The Netherlands.
18. +Salerno, J. P., +Kachingwe, O., Boekeloo, B. O., **Fish, J. N.**, Geddings-Hayes, M., & Aparicio, E. M. (2019, May). *Feeling unsafe and threatened: An interpretative phenomenological analysis of the sexual health needs of lesbian and bisexual girls in foster care*. Poster presented at the National LGBTQ Health Conference in Atlanta, Georgia.
17. +Mallory, A.B., **Fish, J.N.**, & Russell, S.T. (2019, April). *Measurement non-invariance of the everyday discrimination scale by race, sexual identity, and cohort in a national sample of LGB adults*. Poster presented at the Annual Population Association of America Meeting. Austin, Texas.
16. +Bishop, M. D., Mallory, A. M., **Fish, J. N.**, & Russell, S. T. (2019, April). *Generational differences in sexual identity milestones in a nationally representative sample of LGB people*. Poster presented at the Population Association of America Annual Meeting in Austin, Texas.
15. +Bishop, M., **Fish, J. N.**, & Russell, S. T. (2019, March). *Sexual identity development milestones in a diverse sample of LGBQ youth*. Poster presented at the Society for Research in Child Development Biennial Meeting in Baltimore, MD.
14. Wheldon, C. W., Watson, R. J., **Fish, J. N.**, & Gamarel, K. (2019, March). *Cigarette smoking among youth at the intersection of sexuality orientation and gender identity*. Poster presented at the 2019 Social and Behavioral Medicine Conference in Washington, DC.
13. **Fish, J. N.** & +Krueger, E. (2018, October). *Reconsidering population health approaches to testing sexual minority health disparities across measures of sexual minority status*. Poster presented at the 2018 Interdisciplinary Association for Population Health Science Conference in Washington, DC.
12. Hughes, T. L., Veldhuis, C., & **Fish, J. N.** (2018, June). *Do drinking expectancies mediate the association between intimate partner violence and alcohol abuse among sexual minority women?* Poster presented at the 41st Annual RSA Scientific Meeting in San Diego, California.
11. Veldhuis, C., **Fish, J. N.**, & Hughes, T. L. (2018, June). *Social and sexual reasons for drinking: How expectancies mediate associations between relationship status, sexual identity, and heavy episodic drinking*. Poster presented at the 41st Annual RSA Scientific Meeting in San Diego, California.
10. Coulter, R. W. S., +Flynn, D., **Fish J. N.**, & Plankey, M.W. (2018, April). *Latent classes of polysubstance use among adolescents in the United States: Differences in class memberships by sexual identity*. Poster presented at Translational Science 2018 in Washington, DC.

9. Holman, E., **Fish, J. N.**, Oswald, R. & Goldberg, A. E., (2017, Nov). *Reconsidering the LGBT Climate Inventory: Understanding support and hostility*. Poster presented at the National Council on Family Relations Annual Conference in Orlando, Florida.
8. +Kreuger, E. A. & **Fish, J. N.** (2017, Nov). *Sexual identity discordances: Implications for alcohol, tobacco, and cannabis use disorders*. Poster presented at the Annual Public Health Association Annual Meeting in Atlanta, Georgia.
7. **Fish, J. N.**, +Pollitt, A. M., Schulenberg, J. E., & Russell, S. T. (2017, June). *Alcohol use across the transition to adulthood: An assessment of measurement invariance by age and gender*. Poster presented at the 40th Annual Research Society on Alcoholism Scientific Meeting in Denver, Colorado.
6. **Fish, J. N.**, +Pollitt, A. M., Schulenberg, J. E., & Russell, S. T. (2017, June). *Measuring alcohol use across the transition to adulthood: Implications for between- and within-group designs*. Poster presented at the 40th Annual Research Society on Alcoholism Scientific Meeting in Denver, Colorado.
5. Day, J. K., **Fish, J. N.**, +Perez-Brumer, A., Hatzenbuehler, M. L., & Russell, S. T. (2016, November). *The relationship between social policy and transgender students' evaluations of school climate*. Poster presented at the National Council on Family Relations Annual Conference in Minneapolis, Minnesota.
4. **Fish, J. N.** & Pasley, K. (2014, November). *A multidimensional approach to assessing sexual minority status and mental health*. Poster presented at the National Council on Family Relations Annual Conference in Baltimore, Maryland.
3. Cooley, M. E., Woods, S. B., Priest, J. B., **Fish, J. N.** & Denton, W. H. (2012, October). *Comparing health outcomes of former foster youth and a non-foster sample*. Poster presented at the National Council on Family Relations Annual Conference in Phoenix, Arizona.
2. Woods, S. B., Priest, J. B., **Fish, J. N.**, & Denton, W. (2012, September). *Prevalence of relational discord in urban primary care*. Poster presented at the American Association of Marriage and Family Therapy Annual Conference in Charlotte, North Carolina.
1. **Fish, J. N.**, Pavkov, T. W., Wetchler, J. L., & Bercik, J. (2011, November). *The role of adult attachment and differentiation in extradyadic experiences*. Poster presented at the National Council on Family Relations Annual Conference in Orlando, Florida.

(2020, March). *Conceptualizing time in sexual and gender minority youth research: Perspectives, suggestions, quandaries, and implications*. Panel discussion accepted to Society for Research on Adolescence 2020 Biennial Meeting in San Diego, California (conference cancelled).
3. Oswald, R. F., Kuvalanka, K., Toomey, R. B., & Pacey, M. (2016, May). *Becoming a sexual and gender minority scholar: Advice for students and young professionals*. In J. N. Fish, S. Steelman (Chairs). Panel presented at the 4th Annual LGBT Research Symposium in Champaign, Illinois.
2. Fish, J. N., Russell, S. T., Kosciw, J. G., Rosario, M., Newcomer, S., & Poteat, V. P. (2016, March). *An interdisciplinary vision for the future of LGBTQ youth research*. Panel presented at the Society for Research on Adolescence Biennial Conference in Baltimore, Maryland.
1. Seaton, E. K., Lee, R. M., Rivas-Drake, D., Powell, T., & Fish, J. N. (2016, March). *Thriving at every stage: Diverse perspectives of an academic life course*. Panel presented at the Society for Research on Adolescence Biennial Conference, Baltimore, Maryland.

Invited Keynotes

1. **Fish, J. N.** (2021, June). *Creating communities where sexual and gender diverse youth can thrive*. Northeast extension LGBTQ+ virtual symposium (Virtual).

Invited Talks

19. **Fish, J. N.** (2022, Feb). *Advancing research and practice to address LGBTQ youth mental health during COVID-19 and beyond*. Invited talk to St. Mary's College of Maryland Department of Psychology Lecture Series on The Psychology of COVID-19 and Public Health (Virtual).
18. **Fish, J. N.** (2021, Oct). Future directions in understanding and addressing mental health among LGBTQ youth. Invited to for the University of Connecticut Institute for Collaboration on Health, Intervention, and Policy (InCHIP) Speaker Series (Virtual).
17. **Fish, J. N.** (2021, Sept). *Alcohol use among LGBTQ young adults: General and population specific influences*. Invited talk for the PreventionFIRST! 2021 Coalition Academy (Virtual).
16. **Fish, J. N.** (2021, July). *Alcohol use among LGBTQ young adults: General and population specific influences*. Invited talk for the Higher Education Center for Alcohol and Drug Misuse Prevention and Recovery (Virtual).
15. **Fish, J. N.**, [‡]Pease, M., & [†]Laszaic, S. (2021, June). *LGBTQ people and communities: Mental health risk and resilience*. Invited talk for the United State Army Corp of Engineers LGBTQ Community Observance Program (Virtual).
14. Salerno, J. P. & **Fish, J. N.** (2021, May). *An intersectional analysis of racism and sexual and gender minority stress among LGBTQ university students of color in the context of the COVID-19 pandemic*. Invited talk for the National LGBTQ Health Conference Symposium on COVID-19 Research with SGM Populations Symposium (Virtual)
13. **Mittal, M.** & Fish, J. (2020, Nov). *Stress in the context of COVID-19 and public health professionals*. Virtual Webinar for the Anne Arundel County Health Department, Maryland.
12. **Fish, J. N.** (2020, July). *A life course perspective for understanding and addressing LGBTQ health equity*. Center for AIDS prevention Studies and Prevention Research Center (CAPS/PRC) Town Hall (Virtual). The University of California San Francisco.
11. **Fish, J. N.** (2020, February). *Developmental perspectives of sexual minority youth health and the untapped potential of community-based programs*. Department of Psychology Brown Bag. University of Virginia. Charlottesville, Virginia.
10. **Fish, J. N.** (2019, December). *Sexual minority population health inequities across the life course: Where do we go from here?* Maryland Population Research Center Seminar Series, University of Maryland. College Park, Maryland.
9. **Fish, J. N.**, Dowshen, N., Escobar-Viera, C. G., Lelutiu-Weinberger, C., & Veldhuis, C. (2019, November). *Establishing a Career in SGM Health Research*. NIH Sexual and Gender Minority Research Regional Workshop. Philadelphia, Pennsylvania.
8. **Fish, J. N.** (2019, September). How data beg multilevel strategies that promote the positive development and health of LGBTQ youth. Department of Family Science, University of Maryland School of Public Health. College Park, Maryland.
7. **Fish, J. N.** (2019, June). *Child diversity and youth psychopathology breakout discussion*. Journal of Clinical Child & Adolescent Psychology Future Directions Forum. Washington, DC.
6. **Fish, J. N.** (2019, May). *LGBTQ population health: How trends across time and age inform our next steps*. Bowling Green State University's Center for Family and Demographic Research (CFDR) Speaker Series. Bowling Green, Ohio.
5. **Fish, J. N.** (2019, April). *LGBTQ population health: How emerging evidence should shape our future directions*. University of Maryland Department of Psychology Brown Bag Speaker Series. College Park, Maryland.
4. **Fish, J. N.** (2018, June). *Sexual orientation disparities in alcohol use: A life course perspective*. Invited talk at the NIAAA Workshop to Assess the State of Research on Alcohol Use and Related Problems among Sexual and Gender Minority Populations. National Institutes of Health, Bethesda, Maryland.
3. **Fish, J. N.** (2017, March). *LGBTQ youth and school context*. Community talk presented at The Pennsylvania State University, Worthington Scranton, Scranton, Pennsylvania.

2. **Fish, J. N.** (2015, April). *Growing up LGBTQ in America*. Pima Community College, Tucson, Arizona.
1. **Fish, J. N.** & *Pollitt, A. M. (2014, September). *Being proud of LGBTQ+ diversity*. Pima Community College, Tucson, AZ.

Peer-reviewed Workshops

1. Marx, R., **Fish, J. N.**, Thamrin, H., & Mallory, A. (2021, August) Towards a queer prevention science: Strategies for meaningfully and ethically including LGBTQ+ people in prevention science research and interventions. *Society for Prevention Science PostConference Training Workshop*. Virtual.

Invited Workshops

3. **Fish, J. N.** (2018, May). *Latent class analysis, latent profile analysis, and growth mixture modeling*. Population Research Center Methods Blitz Seminar Series. University of Texas, Austin, Texas.
2. **Fish, J. N.** (2015, May). *A brief introduction to latent class analysis*. Workshop presented at the 3rd Annual LGBTQ Research Symposium, Champaign, Illinois.
1. **Fish, J. N.** (2016, May). *Finding and using large datasets in LGBTQ+ research*. Methodological workshop presented at the 4th Annual LGBTQ Research Symposium, Champaign, Illinois.

National Webinars

1. **Fish, J. N.**, Turpin, R., Williams, N. D., & Boekeloo, B. O. (2020, April 29). *Sexual identity differences in health care access and satisfaction: Findings from nationally representative data*. In AAMC Consumer Survey of Health Care Access: A Virtual Research Symposium [Webinar]. Association of American Medical Colleges. https://aamc.elevate.commpartners.com/products/aamc-consumer-survey-of-health-care-access-a-virtual-research-symposium-april-29#tab-product_tab_overview

GRANTS AND CONTRACTS

Active Funding

R13HD088085 (PI: Sayer; Fish as co-I, <2% FTE) 04/01/2022-03/31/2027
 National Institutes of Health: National Institute of Child Health and Human Development \$50,000

Time use across the life course: family inequality and multigenerational well-being. This project convenes conferences for shared work and dialogue to and development of diverse scholars with expertise in time use, family inequality, and well-being over contexts and groups.

PHPA-1465 BPM026494 (PI: Fish, 5% FTE) 02/01/2022-06/30/2026
 Maryland Department of Health, Center for Tobacco Prevention and Control \$825,000

Implementing Tobacco Control Strategies to Achieve Health Equity: Engaging LGBTQ Communities in Maryland. This project works directly with LGBTQ communities in Prince George's and Montgomery County to reduce tobacco-related health disparities and promote culturally appropriate tobacco prevention and cessation interventions that improve the overall health and wellbeing of these communities.

U48DP006382 (PI: Boekeloo; Fish as co-I, 20% FTE) 10/01/2019-09/30/2024
 Centers for Disease Control and Prevention, Health Promotion and Disease Prevention \$2,457,819

Increasing effective mental health care for LGBT clients. The core research project is a randomized control trial focused on refining, evaluating, and disseminating selected resources for assessing and improving the experiences of LGBT people engaged in mental health care services.

University of Maryland (PI: Fish, 11% FTE) 01/01/2022-12/31/2022
 UMD Office of Research Catalyst Fund, New Directions Fund \$50,000

Identifying parental sexual orientation socialization strategies: Conceptual and measurement development. This project analyzes qualitative interviews with LGBTQ+ youth and their parents to help inform a conceptual model and measures that capture parenting practices around sexual orientation/identity.

Pending Funding

R01 (PIs: Hughes; Fish as co-I, 15% FTE) 07/01/2023-06/30/2028

NIH: National Institute of Alcohol Abuse and Alcoholism

The effects of adverse childhood events and other stressors on hazardous drinking among sexual minority women: Secondary analyses of a 22-year longitudinal study. This project seeks to understand how ACES and other stressors are independently and collectively related to trajectories of hazardous drinking among sexual minority women

R01 (PIs: Fish, Pacey, 15% FTE) 01/01/2023-12/31/2028

NIH: National Institute of Minority Health and Health Disparities \$984,300

Parental Sexual Orientation Socialization Strategies: Measurement Development and Associations with Sexual Minority Youth Mental Health and Substance Use. This project aims to develop a conceptual model and self-report measures describing parenting practices that support sexual minority youth's sexual identity, and the association between these behaviors and sexual minority youth's mental health and substance use.

Trainee Funding and Funded Mentorship

F32AA030194-01A1 (PI: Bishop; Fish as mentor, 0% FTE, scored 33) 08/15/2022-08/14/2025

NIH: National Institute of Alcohol Abuse and Alcoholism \$206,395

Sexual orientation, gender identity, and alcohol use: A multi-method analysis of developmental differences and key mechanisms. This multi-method project examines developmental differences in the prevalence and mechanisms of alcohol use among adolescents with diverse sexual orientations and gender identities.

Health Policy Research Scholars (PI: Williams; Fish as Institutional Mentor; 0% FTE) 10/01/2020-09/31/2024

Robert Wood Johnson Foundation \$124,000

Health Policy Research Scholars. The HPRS program is a four-year national leadership development opportunity for full-time doctoral students from nonclinical academic disciplines who want to improve health, wellbeing, and equity.

L60MH127858 (PI: Pacey; Fish as co-mentor; 0% FTE) 09/01/2021-08/31/2023

NIMHD Loan Repayment Program Award \$58,000

Understanding the Relationship between Sexual and Gender Minority Youth's Social Environments and Mental Health Disparities: The Association between Family, School, Community, & Disordered Eating.

This mentored award seeks to understand how various social factors across family, school, and community context are related to SGM youths' mental health and disordered eating behavior.

Completed Funding

R03DA046827 (multi-PI: Fish, Watson; 18% FTE) 10/15/2019-10/14/2022

National Institute of Health, National Institute on Drug Abuse \$100,000

SGM youth substance use: Subgroup differences, risk, and protective factors. This study examines how sexual and gender minority youth experiences of distal and proximal minority stressors are associated with substance use (i.e., alcohol, tobacco, marijuana, and polysubstance use) and the potential protective influence of family and teacher support.

6U48DP0063820202 CDC Supplement (PI: Boekeloo; Fish as co-I, 5% FTE) 05/09/2021-05/10/2022

Connecting Behavioral Science to COVID-19 Vaccine Demand (CBS-CVD) Network \$500,000

CBS-CVD Network Supplement for PRCs: The Vaccine Confidence Network is comprised of 26 Prevention Research Centers that leverage CDC's Vaccinate with Confidence strategy to build and evaluate COVID-19 vaccine confidence and demand in diverse communities. The UMD supplement facilitates the development and evaluation of behavioral health nudges to encourage vaccine uptake among LGBTQ populations nationally and the generational population throughout the state of Maryland via local health improvement coalitions.

R36MH123043 (PI: Salerno; Fish as co-mentor; 0% FTE) 04/01/2020-03/31/2022
National Institutes of Health, National Institute on Mental Health \$121,152
Trauma and mental health among Latinx LGBT immigrant youth: A mixed-methods study. This mixed-method project seeks to explore trauma and mental health among Latinx transgender youth via secondary data and foreign-born Latinx LGBT youth via interviews.

RF1MH122852 (multi-PI: Blosnich, De Luca; Fish as co-I, 17% FTE) 04/01/2019-03/31/2022
National Institutes of Health, National Institute on Mental Health \$187,169
Adolescence to adulthood: Factors influencing trajectories of suicide ideation and attempt among sexual minorities. Religiosity is often a protective factor for suicide, but this may not be true for sexual minority youth. The research will examine whether trajectories of religiosity and suicidality – and their association – vary on the basis of sexual orientation.

Lesbian Health Fund (PI: Fish; 0% FTE) 06/01/2019-05/31/2021
GLMA: Health Professionals Advancing LGBTQ Equality \$10,000
Parent-child LGBQ socialization, mental health, and substance use among sexual minority women age 15-19. This project explores the potential protective effects of positive parental messaging regarding sexual minority girls' sexual minority identities and whether these practices buffer the negative effects of LGBQ-related discrimination on mental health and substance use.

SES-2029963 (PI: Doan; Fish as co-I; 0% FTE) 05/01/2020-04/30/2021
National Science Foundation (Sociology): RAPID Grant \$110,399
Assessing the Social Consequences of COVID-19. The study examines the impacts of COVID-19 and social distancing efforts on behavior, time spent with others, use of technology, and mental and physical wellbeing, with particular interest in how these effects vary by gender, sexuality, family structure, race/ethnicity, and immigrant status.

Coronavirus Research Seed Program (PI: Doan; Fish as co-I; 6% FTE) 04/01/2020-09/30/2020
University of Maryland Vice President for Research \$25,000
Assessing the Social Consequences of COVID-19. Using a novel web-based retrospective time diary survey, we assess peoples' social behaviors before, during, and after the pandemic, with special attention on how the effects of COVID-19 vary by gender, sexuality, family structure, race/ethnicity, and immigration status.

University of Maryland (PI: Fish; 11% FTE) 06/01/2019-05/31/2020
Maryland Population Research Center Seed Grant \$15,000
Population Health Trends among Heterosexual and Sexual Minority Adults. This project explores trends in mental, behavioral, and physical health among heterosexual and sexual minority adults from the early 2000s to 2015 using three population-based datasets.

Gold Award Competition (PI: Williams; Fish as co-I; 0% FTE) 04/01/2019-03/31/2020
University of Maryland School of Public Health \$2,500
Q Chat Space: The digital LGBTQ+ center for youth
The proposal seeks to evaluation the process and implementation of a pilot digital chat platform for LGBTQ young people (Q Chat Space: The Digital LGBTQ+ Center for Youth). Findings will help inform the digital interface and systematic delivery of the Q Chat Space program.

Research and Scholarship Award (PI: Fish; 0% FTE) 05/01/2018-09/01/2018
The University of Maryland Graduate School \$9,000
Characteristics of LGBTQ Youth-Serving Organizations in the United States. This mixed-method study examines program staff in LGBTQ youth-serving community-based organizations around the country to document their service provisions efforts and barriers.

F32AA023138 (PI: Fish, Sponsors: Russell & Schulenburg; 100% FTE) 08/01/2015-07/31/2018
National Institutes of Health, National Institute on Alcohol Abuse and Alcoholism \$157,290
Sexual minority youth alcohol use: Risk and protective factors. This NIH Postdoctoral Individual National Research Service Award was focused on documenting sexual-orientation-related disparities heavy alcohol during adolescence and young adulthood and the family and school factors that contribute to these disparities.

SMA-1401836 (PI: Fish, Sponsor: Russel; 100% FTE) 08/01/2014-07/31/2015
National Science Foundation, SBE Postdoctoral Research \$194,820
Youth and alcohol use: Risk and protective factors in vulnerable populations. This project used a community-based participatory design to document sexual orientation differences in underage alcohol use and the experiences that contribute to it. Year 2 of the award was declined to accept the NIH F32.

Difference Engine Mini-Grant (PI: Fish; 0% FTE) 05/01/15
University of Arizona Institute for LGBT Studies \$1,500
LGBT research symposium: An interdisciplinary symposium on LGBT research in the social sciences. This funding helped to support the 2nd Annual LGBTQ Research Symposium at the University of Illinois.

HONORS AND AWARDS

2022 National Institutes of Health, Sexual & Gender Minority Early-Stage Investigator Award
2022 Delta Omega Honorary Society in Public Health (Gamma Zeta Chapter) Induction
2022 The 2021 Rosalind Franklin Society/Mary Ann Liebert Award in Science, Annual award for the best paper by a woman/under-represented minority
2020 Lavender Leadership Honor Society, University of Maryland
2019 Cindy Winter Scholarship Award, Student or New Professional Leadership/Service in Family Science, National Council on Family Relations
2017 Health Disparities Research Institute (HDRI) Trainee, National Institute on Minority Health and Health Disparities, National Institute of Health
2017 Abstract of Distinction, Society for Prevention Research
2014 Families and Health Section Outstanding Student/New Professional Paper Award, National Council on Family Relations
2014 Hortense Glenn Society (scholarship, leadership, and service), Florida State University
2013 May Watson Conner Scholarship, Florida State University
2012 Robison Scholarship, Florida State University
2011 Family Therapy Section Best Poster Award (Student), National Council on Family Relations
2011 Completed Thesis Award, American Association for Marriage and Family Therapy
2010 Graduate Student Research Award, Indiana Association for Marriage and Family Therapy

Graduate assistant: Fall 2013

Purdue University Northwest (formerly Purdue University Calumet)

CFDS 210: Introduction to Human Development

Instructor of record: Fall 2008 (1 section)

Doctoral Dissertation Chair (2)

Natasha Williams (exp. 2023), Family Science, University of Maryland

Black lesbian, gay, and bisexual mental health: Examining patterns of risk, treatment utilization, and mental health management strategies.

Ashley Pantaleao (co-Chair; 2022), Family Science, University of Maryland

Application of a culturally relevant health belief model to Black and Africa American young adults with sickle cell disease during the transition to adult healthcare services.

Master's Thesis Chair (3)

Katherine Tomlinson (2021), Couple and Family Therapy, University of Maryland

Family support, rejection, and connectedness: Family context and SGM youth mental health and substance use;

Currently: Practicing therapist in Maryland

Zachary Berman (2020), Marriage and Family Therapy, University of Maryland

Are we ready to serve? Couple and family therapists' attitudes toward BDSM and their perceived competence helping BDSM practitioners

Currently: PhD student, Family Science, University of Maryland School

Doctoral Dissertation Committee Member (8)

Jinghuai Du, (exp. 2023), Family Science, University of Maryland

The longer-term impact of perceived discrimination on couple relationship functioning: Examining psychological and physiological pathways among middle and older adults in the United States

Melanie Arenson (2023), Clinical Psychology, University of Maryland

Mental health treatment utilization: The intersectional effects of race, gender, and SES among veterans with PTSD

Currently: Completing clinical internships

Meg Bishop, (exp. 2022), Human Development and Family Science, University of Texas at Austin

Generational differences in sexual identity development milestones, bias-based victimization, and mental health among sexual minority people

Currently: Postdoctoral Research Fellow, Family Science, University of Maryland

Andrew Conway (2022), Family Science, University of Maryland

Evaluating immigrant-specific adverse childhood experiences as a social determinant of health among Latinx immigrant families

Currently: Postdoctoral Researcher, Human Development and Family Studies, Pennsylvania State University

Colleen Kase, (2022), Psychology (Counseling), University of Maryland

A daily diary investigation of physical health among sexual minority women: Minority affirmative and stress perspectives

Currently: Assistant Professor of Psychology, Stockton University

John Salerno, (exp. 2022), Behavioral and Community Health, University of Maryland
Trauma and mental health among Latinx sexual minority immigrant youth: An intersectional multi-method study

Currently: Provost's Postdoctoral Research Scientist at the Columbia School of Social Work

Collin Vernay (2021), Counseling, Higher Education and Special Education, University of Maryland
The body image concerns of sexual minority men encountering sexual racism, sexual femmophobia, and sexual sizeism while dating online.

Currently: Practicing therapist in DC/Maryland

Samuel Allen (2020), Family Science, University of Maryland

Redoing gender, redoing family: A mixed-methods examination of family complexity and gender heterogeneity among transgender families

Currently: Assistant Professor at The Family Institute at Northwestern University

Master's Thesis Committee Member (5)

Kenzi Callaway (exp 2022), Family Social Science Department, University of Minnesota

Financial socialization from chosen and origin families: Links to resource access and well-being for LGBTQIA adults

Salwa Shan (2021), Couple and Family Therapy, University of Maryland

Racial socialization, observed maternal conflict behaviors, and externalizing problems in Black mother-adolescent dyads

Currently: PhD Student, Family Science, University of Maryland

Jennifer Lee (2020), Couple and Family Therapy, University of Maryland (Currently: Practicing therapist):

The role of siblings on the relationship between parental racial socialization and outcomes in transracial adolescent adoptees

Currently: Practicing therapist

Emma Levin (2019), Couple and Family Therapy, University of Maryland

Race and immigration status as moderators of the relationship between family acceptance/family rejection and mental health for LGBTQ+ youth

Meg Bishop (2019), Human Development and Family Science, University of Texas at Austin

Variability of sexual identity development milestones in a nationally representative sample of sexual minority people

Currently: Postdoctoral Research Fellow, Family Science, University of Maryland

Graduate Research Internship Paper Supervisor (1)

Zachary Berman, 2021-2022, Family Science, University of Maryland

Natasha Williams, 2018-2019, Family Science, University of Maryland

The availability of LGBT-specific mental health and substance abuse treatment in the United States: Findings from two national surveys. (Published in *Health Services Research*)

Undergraduate Research Internship Supervisor (3)

Judith Barron, Fall 2020, Family Science, University of Maryland

Rachel Edsall, Fall 2019, Spring 2020, Behavioral and Community Health, University of Maryland

Victoria Cockroft, Spring 2019, Family Science, University of Maryland

Undergraduate Independent Study Supervisor (11)

Brennan Winer (Spring 2022; 3 credits), Public Health Science, UMD
