

CURRICULUM VITAE
Sandra Crouse Quinn, PhD

Notarization. I have read the following and certify that this curriculum vita is a current and accurate statement of my professional record.

Signature 

Date: October 17, 2019

1. Personal Information

Professor and Chair, Department of Family Science	4200 Valley Drive, Suite 1142 College Park, MD 20742-2611
Senior Associate Director, Maryland Center for Health Equity	301.405.8825
School of Public Health	301.405.8397 FAX
University of Maryland, College Park	scquinn@umd.edu

a. Educational Background

PhD	University of Maryland, College Park, MD Major: Health Education Specialty Areas: Community Health in Minority Populations; Health Communication Date: 1993
M.Ed.	The American University, Washington, DC Major: Counseling Specialty Area: Sex Education & Counseling Date: 1977
BS	Virginia Commonwealth University, Richmond, VA Major: Social Welfare Date: 1973

b. Employment Background

Academic Positions

March 2018-present	Chair, Department of Family Science, School of Public Health, University of Maryland
July 2016-March 2018	Director, Doctoral Program in Maternal and Child Health, Department of Family Science, School of Public Health, University of Maryland
June 2013-June 2016	Associate Dean for Academic Affairs

	School of Public Health, University of Maryland
Sept. 2010-May 2013	Associate Dean for Public Health Initiatives School of Public Health, University of Maryland
September 2010-Present	Senior Associate Director, Maryland Center for Health Equity School of Public Health, University of Maryland
September 2010-Present	Professor, Department of Family Science School of Public Health, University of Maryland
May 2010-August 2010	Professor, Department of Behavioral and Community Health Sciences Graduate School of Public Health, University of Pittsburgh
May 2002-May 2010	Associate Dean for Student Affairs and Education Graduate School of Public Health, University of Pittsburgh
February 2009	Visiting Associate Professor Colorado School of Public Health, University of Colorado
2008-2010	Associate Professor (secondary appointment) Clinical and Translational Science Institute, University of Pittsburgh
2008-May 2010	Founding Director, Peace Corps Master's International Program Graduate School of Public Health, University of Pittsburgh
2003-April 2010	Associate Professor with tenure, Department of Behavioral and Community Health Sciences Graduate School of Public Health, University of Pittsburgh
2001-2010	Affiliate Faculty Member, Center for Bioethics and Health Law, University of Pittsburgh
2000-2003	Visiting Associate Professor, Department of Behavioral and Community Health Sciences Graduate School of Public Health, University of Pittsburgh

1995-2000	Assistant Professor, Department of Health Behavior and Health Education School of Public Health, University of North Carolina at Chapel Hill
1990-1993	Research Assistant, Minority Health Research Laboratory Department of Health Education, University of Maryland
1988-1990	Graduate Teaching Assistant, Department of Health Education, University of Maryland

Non-Academic Positions

1993-1994	Research Associate, Westat, Inc, Rockville, MD
1986-1988	Consultant and Counselor, Personnel Consultation and Counseling, Inc., Silver Spring, MD
1981-1989	Counselor, Psychological Services, Rockville, MD
1982-1984	Therapeutic Counselor, Treatment Alternatives to Street Crime, Montgomery County Health Department, Rockville, MD
1981-1982	Therapeutic Counselor, Parents and Children Together (PACT II), Montgomery County Health Department and Montgomery County Public Schools, Wheaton, MD
1979-1981	Therapeutic Counselor, Treatment Alternatives to Street Crime, Montgomery County Health Department, Rockville, MD
1977	Counseling Intern, Sylvan J. Kaplan, Ph.D., Psychologist, Chevy Chase, MD
1976-1977	Counseling Intern, Rocking Horse Health Center Montgomery County Health Department, Rockville, MD

2. Research, Scholarly, and Creative Activities

a. Books

- **QUINN, S. & Scaffa, M.** *Making Choices: A Personal Look at Alcohol and Drug Use: 2nd edition.* 1999. Dubuque, Iowa: McGraw-Hill Company.

- Scaffa, M., **QUINN, S.**, & Swift, R. *Making Choices: A Personal Look at Alcohol and Drug Use*. 1992. Dubuque, Iowa: Wm. C. Brown Publishers, 168 pgs.

iii. *Chapters in book.*

Underline denotes publication resulting from student research or in collaboration with a student; # denotes post-doctoral or junior faculty mentee; \$ denotes PI or co-PI

- **QUINN, S.** & Helsloot, I. Mega Crisis Management during a Pandemic: On the need for Relying on Citizen and Community Participation. In Rosenthal, U., Jacobs, B., Boin, A., Comfort, L. & Helsloot, I. (Eds). *21st Century Mega-crises: New Challenges to Crisis Management*. Springfield, IL: CC Thomas. 2012: 123-140.
- Tomljanovic, C., Volz, D., **QUINN, S.**, Trufanov, A. and Rossodivita, A. Cooperation Between Civilian and Military Organizations During an Emergency: A Case Study Evaluation of the 2008 Reentry of an Uncontrolled U.S. Government Satellite Contaminated with Hydrazine. In A. Trufanov, A. Rossodivita and M. Guidotti (Eds). *Pandemics and Bioterrorism Transdisciplinary Information Sharing for Decision-Making against Biological Threats*. 2010. Volume 62 NATO Science for Peace and Security Series - E: Human and Societal Dynamics. ISBN: 978-1-60750-086.
- **QUINN, S.**,^{\$} Thomas, T. , and McAlister, C. Lessons from the 2001 Anthrax Attack: A Conceptual Model for Crisis and Emergency Risk Communication. In Seeger, M. & Sellnow, T. (Eds). *Crisis Communication and the Public's Health*. 2008. Cresskill, NJ: Hampton Press. 2008: 23-42.
- Thomas, S. & **QUINN, S.** Closing the Gap: Eliminating Health Disparities. In Braithwaite, R. and Taylor, S. *Health Issues in the Black Community, 2nd edition*. San Francisco, CA: Jossey Bass Publishers. 2001: 543-560.
- Thomas, S. & **QUINN, S.** (1994). The AIDS Epidemic and the African American Community: Toward an Ethical Framework for Service Delivery. In Dula, A. and Goering, A., (Eds.) *It Just Ain't Fair: The Ethics of Health Care for African Americans*. 1994. Praeger Press. pgs.75-88.
- Thomas, S. & **QUINN, S.** The attitudes of Black Americans toward prevention of HIV disease through needle and syringe exchange programs. In Smith, M. & Stryker, J. *Dimensions in HIV prevention: Needle exchange*. 1993. Menlo Park, CA: Henry J. Kaiser Family Foundation, pgs. 99-128.

b. *Articles in Referred Journals.*

Underline denotes publication resulting from student research or in collaboration with a student; # denotes post-doctoral or junior faculty mentee; \$ denotes PI

1. **QUINN, S.**,^{\$} Jamison, A. & Freimuth, V. Measles Outbreaks and Public Attitudes Towards Vaccine Exemptions: Some Cautions and Strategies for Addressing Vaccine Hesitancy. *Human Vaccines & Immunotherapeutics*. 2019. e. *Talks, Abstracts, and Other Professional Papers Presented.*

i. *Invited Talks and Presentations Since 2000*

<i>Date</i>	<i>Title of Presentation</i>	<i>Venue</i>
September 2019	Cultural Beliefs and Influenza Vaccination In Today’s Social Media World	National Vaccine Advisory Committee, US Department of Health and Human Services, Washington, DC
June 2019	What’s Diversity Got To Do With Science: Fostering Resilience And Effective Responses To Common Challenges Of Under-Represented Scholars	Health Equity Leadership Institute, University of Wisconsin and University of Maryland Center for Health Equity, Madison, WI
June 2019	Building Trust between Minorities and Researchers, Parts 1 & 2	Health Equity Leadership Institute, University of Wisconsin and University of Maryland Center for Health Equity, Madison, WI
June 2019	Invited panelist: Scientific research, ‘post-truth’ and fake news: What’s next?	Worldviews 2019, Toronto, ON
June 2019	Invited panelist: Using social media in the 21st Century: the Good, the Bad and the Ugly	Worldviews 2019, Toronto, ON
April 2019	Improving Confidence in the Influenza Vaccine among Adults	Annual Meeting, National Foundation for Infectious Diseases, Baltimore, MD
March 2019	Challenges and Opportunities of Using Digital Technology and Data To Advance Public Health	Annual Meeting, Association of Schools and Programs in Public Health, Arlington, Va
October 2018	Invited panelist: Gaps, Challenges and Best Practices.	National Summit on Bioincident Recovery: What the Country’s Thought Leaders See as the Top Priorities for

		Developing Guidance to Help Affected Communities Recover. US Department of Health and Human Services, Washington, DC.
September 2018.	Invited speaker: Exploring Dynamics Affecting Parental Decision-Making about Influenza Vaccination	Congressional Baby Caucus, US House of Representatives, US Congress, Washington, DC.
July 2018	Tabletop Exercise: Communication with the Public about Vaccine Uptake in a Pandemic	Selected Topics in Vaccinology course. Summer Institute of Advanced Epidemiology and Preventive Medicine, School of Public Health, Tel Aviv University, Tel Aviv, Israel
July 2018	Basic Principles and Practices of Risk Communication in Public Health Emergencies	Selected Topics in Vaccinology course. Summer Institute of Advanced Epidemiology and Preventive Medicine, School of Public Health, Tel Aviv University, Tel Aviv, Israel
July 2018	Understanding and Addressing the Impact of Trust and Risk Perception on Vaccine Acceptance	Selected Topics in Vaccinology course. Summer Institute of Advanced Epidemiology and Preventive Medicine, School of Public Health, Tel Aviv University, Tel Aviv, Israel
July 2018	Vaccine Hesitancy and Confidence: Contemporary Issues in Diverse Populations in the US, Israel and Beyond	Selected Topics in Vaccinology course. Summer Institute of Advanced Epidemiology and Preventive Medicine, School of Public Health, Tel Aviv University, Tel Aviv, Israel
April 2018	Ensuring Equity in Influenza Vaccination for Older Adults	Influenza Immunization among Older Adults: Population Health Strategies for Promoting Equity and Achieving Healthy People 2020 Goals, Washington, DC
April 2018	Building Trust in the Flu Vaccine: Challenges and Opportunities with	Going Viral: Impact and Implications for the 1918 Flu

	African Americans	Pandemic. Gillings School of Global Public Health, University of North Carolina, Chapel Hill, NC
February 2018	Understanding Dynamics Underlying Racial Disparities in Influenza Vaccination	National Vaccine Advisory Committee, National Vaccine Program Office, US Department of Health and Human Services, Washington, DC
October 2017	Culturally Aware Mentoring Workshop (facilitator with S. Thomas, 7 hour workshop).	Health Equity Leadership Institute, Health Equity Leadership Institute. University of Wisconsin, Madison, WI
September 2017	Succeeding in Tomorrow's STEM Fields: The Critical Importance of Mentoring	Ethical and Inspiring Mentorship in STEM, The Office of Post Doctoral Affairs, Graduate School, University of Maryland, College Park, MD
September 2017	Workshop: Culturally Aware Mentoring.	Ethical and Inspiring Mentorship in STEM, The Office of Post Doctoral Affairs, Graduate School, University of Maryland, College Park, MD
August 2017	Exploring the Continuum: Measuring Vaccine Confidence and Hesitancy among African American and White Adults.	The Vaccine Confidence Meeting. DHHS National Vaccine Program Office and Emory University, Atlanta, GA.
June 2017	Public Understanding of Medical Countermeasures (MCM): Implications for the FDA	US Food and Drug Administration, Silver Spring, MD
May 2017	National Research Mentoring Network	National Academies of Science, Engineering, and Medicine Fellowships Roundtable. Washington, DC.
October 2016	Culturally Aware Mentoring (six hour workshop)	University of California System Mentoring Advisory Group in

		California (MAGIC). University of California, San Francisco, School of Medicine
Sept. 2016	Challenges and Opportunities When Facilitating Conversations on Race & Identity	NRMN Master Facilitator Training. University of Wisconsin
June 2016	Cultural Awareness in Mentoring Relationships (w/Byars-Winston, A.)	Health Equity Leadership Institute. University of Wisconsin, Madison, WI
April 2015	Mentor Training to Promote Culturally Responsive Mentoring	Translational Science 2015. Association for Clinical and Translational Science, Washington DC
July 2014	Facilitating Informed Decision Making during the Consent Process: Strategies for Increasing Minority Participation In Clinical Trials.	Informed Consent and Health Literacy. Institute of Medicine Roundtable on Health Literacy, Washington, DC.
June 2014	Emergency Use Authorization of Vaccines and Drugs in a Pandemic: Do Public Perceptions, Trust and Communication Matter?	Regulating Experimental Medicine during a Pandemic. Sponsored by University College, London and the National Institute for Health Research. Royal College of Physicians, London, United Kingdom.
November 2013	Factors Associated with Racial and Ethnic Minority Participation in FDA-Regulated Research	US Food and Drug Administration, White Oak, MD
September 2013	Factors Associated with Racial and Ethnic Minority Participation in FDA-Regulated Research: Results from a Qualitative Study	Second Annual M-CERSI Day, Center of Excellence in Regulatory Science and Innovation, Baltimore, MD
June 2013	Facilitating Openness to Research: Lessons for Becoming a Self-Reflective Researcher	4th Annual Health Equity Leadership Institute, University of Wisconsin, Madison, WI
June 2012	Overview: Building Trust between Minorities and Researchers: A	3 rd Annual Health Equity Leadership Institute, University

	National Bioethics Research Infrastructure Initiative	of Wisconsin, Madison, WI
April 2012	Toward a Fourth Generation of Disparities Research to Achieve Health Equity (Thomas, S., & QUINN, S.)	Dean's Translational Medicine Seminar Series, Keck School of Medicine, University of Southern California, Los Angeles, CA
April 2012	Enhancing Openness to Research in Minority Families: Opportunities for Clinical Researchers	Grand Rounds, Children's Hospital of Los Angeles, Los Angeles, CA
December 2011	The Self-Reflective Researcher: Building Capacity to Recruit and Retain Minority Populations in Research	Full day pre-conference, Advancing Ethical Research, Annual Meeting, Public Responsibility in Medicine & Research, National Harbor, MD
September 2011	Investigator-team Dynamics: Implications for Recruitment and Retention of Minorities	Invited roundtable, Dialogues on Diversifying Clinical Trials: Successful Strategies for Engaging Women and Minorities, sponsored by the US Food and Drug Administration and the Society for Women's Health Research, Washington, DC
July 2011	What Does Trust in Government Mean during a Pandemic? Results from a Longitudinal Survey of Public Attitudes during the 2009-2010 H1N1 Pandemic	UPMC Center for Biosecurity, Baltimore, MD
June 2011	Building Trust Between Minorities and Researchers: A National Bioethics Research Infrastructure Initiative	Health Equity Leadership Institute, University of Wisconsin
June 2011	No More Excuses: Building Trust and Capacity through the Bioethics Research Infrastructure Initiative	Invited webinar, Public Responsibility in Medicine & Research
March 2011	Lessons from Researchers: Best Practices for Respectful Engagement	Invited webinar, Public Responsibility in Medicine and

	with Minority Communities	Research
February 2011	Building Trust between Minorities and Researchers: Challenges and Opportunities in Recruitment and Retention of Minorities in Research	NIH Health Disparities Seminar Series, National Institute on Minority Health and Health Disparities, Bethesda, MD
December 2010	Building Trust Between Minorities and Researchers: Findings from the NIH Bioethics Research Infrastructure Initiative	Public Responsibility in Medicine and Research's Advancing Ethical Research annual meeting, San Diego, CA
December 2010	Ethical Engagement of Minorities in Research	Public Responsibility in Medicine and Research's Advancing Ethical Research annual meeting, San Diego, CA
December 2010	Listening to the Voices of Minorities and Researchers: Building Trust and Capacity for Respectful Engagement	Full Day pre-conference: Public Responsibility in Medicine and Research's Advancing Ethical Research annual meeting, San Diego, CA
September 2010	Perceptions of Vaccination Communication during the 2009 H1N1 Influenza Pandemic.	Center for Infectious Disease Research and Policy (CIDRAP) Comprehensive Influenza Vaccine Initiative. Expert Working Group Meeting on Safety, Vaccine Distribution, Procurement, Risk Communication, and Public Acceptance, Alexandria, VA
July 2010	Distrust, Race, and Research: Overcoming Barriers to Recruitment and Retention of Minority Populations	Invited Webinar, Public Responsibility in Medicine and Research
May 2010	Building Trust Between Minorities and Researchers: A National Bioethics Research Infrastructure Initiative	Regional Meeting, Public Responsibility in Medicine and Research. Chicago, IL
May 2010	A Conceptual Model for Research Recruitment-Retention of Minorities	Regional Meeting, Public Responsibility in Medicine and Research. Chicago, IL

December 2009	Panel: How are we doing with flu? H1N1 Revelations about Resilience	Resilient American Communities: Progress in Practice and Policy. UPMC Center for Biosecurity, the Consortium for the Study of Terrorism and Responses to Terrorism (START) and the Natural Hazards Center of the University of Colorado at Boulder
November 2009	Pre-Conference Workshop: Community Research Advisory Boards.	Half Day Pre-Conference, Annual Meeting, Public Responsibility in Medicine and Research. Nashville, TN
October 2009	Less Talk, More Action: Advancing Community Engagement Strategies to Eliminate Minority Health Disparities	Engaging Communities in Education and Research. State Network of Colorado Ambulatory Practices & Partners (SNOCAP) Convocation, Vail, CO
September 2009	Why Age Might Matter: Results of a National Survey on H1N1 Influenza	Advancing Behavioral and Social Research on the Elderly in Disasters: National Academy of Sciences, Committee on Population Expert Meeting, Washington, DC
August 2009	Results of a National Survey on H1N1 Influenza: Attitudes toward Vaccines and EUA Drugs	Centers for Disease Control and Prevention, Coordinating Office for Terrorism Preparedness and Emergency Response, Grantees Meeting, Atlanta, GA
June 2009	Mega-Crisis Management During Pandemics: On the Need for Citizen and Community Participation	Invitation only meeting: Mega-Crises. Ministry of the Interior and Kingdom Relations of the Netherlands. The Hague, Netherlands
April 2009	Special, Vulnerable or At-Risk Populations: What's in a name? What does it mean for crisis and	North Carolina Division of Public Health, Public Health Regional Surveillance Team

	emergency risk communication?	(PHRST), Region 7
March 2009	Social Vulnerability, Disparities and Disasters: Implications for Professional Preparation, Practice and Research	Preventive Medicine Grand Rounds, University of Colorado School of Public Health
December 2008	Social Vulnerability, Disparities and Disasters in an Urban Setting: Implications for Partnerships and Planning	International Sociological Association-RC21 Tokyo Conference: Landscapes of Global Urbanism: Power, Marginality, and Creativity. Tokyo, Japan
November 2008	Emergency Use Authorization: Ethical Questions and Implications for Crisis and Emergency Risk Communication	Center for the Advancement of Applied Ethics & Political Philosophy, Carnegie Mellon University
April 2008	Social Vulnerability, Health Disparities and Disasters: Implications for Public Health Practice and Policies	Invited Keynote: New York State Association of County Health Officials, Cooperstown, NY
March 2008	Crisis and Emergency Risk Communications: Lessons from the Past, Challenges Ahead	Dean's Public Health Grand Rounds, School of Public Health, University of Maryland, College Park, MD
September 2007	Building Trust and Engaging Communities (QUINN, S., Thomas, S., Ford, A, Durham, Y & Potter, J.)	Society for Clinical Research Associates, 2007 Annual Meeting, Denver, CO
August 2007	Building Trusted Partnerships for HIV Prevention: Danger and Opportunity for Public Health & the Church (with Thomas, S.)	Conference title: The Effects of the AIDS Pandemic and Poverty on Church Life in Sub-Saharan Africa: Stewardship Implications; NetACT and the African Society for Reformed Communities, Justo Mwale Theological College, Lusaka, Zambia
May 2007	Essential Components of Emergency Risk Communication: What Can We Learn from the 2001 Anthrax Attack?	6 th UCLA Conference on Public Health and Disasters, Torrance, CA

March 2007	Health Education During a Crisis: The Role of the Health Educator in Emergencies and Disasters (QUINN, S. and Eggleston, M.)	2007 Pennsylvania Health Educators' Institute and the 14 th PA SOPHE Conference on Health Education, State College, PA
June 2006	What is the Community Research Advisory Board (CRAB)? Description of the Pittsburgh CRAB	Summer Research Career Development Institute in Minority Health Disparities
June 2006	Managing Your Time	Summer Research Career Development Institute in Minority Health Disparities
June 2006	Negotiating for a Faculty Position	Summer Research Career Development Institute in Minority Health Disparities
May 2004	Risk Communication	Co-taught one day class for Centers for Disease Control and Prevention Corporate University, Atlanta, GA
April 2004	The Tuskegee Syphilis Study: Implications for Cultural Competence	Cultural Confidence Enhancement Program, Bipolar Disorder Center for Pennsylvanians, Pittsburgh, PA
April 2004	Ethics in Community-Based Education (Gamble, D. & QUINN, S.)	Planned and co-facilitated one day workshop offered by the Carolina Center for Public Service and the Office of the Provost, University of North Carolina at Chapel Hill
June 2003	Building and Sustaining Meaningful Service Learning Partnerships	Advancing Educational Innovations for Improved Student Learning and Community Health: Seventh Annual Introductory Service-Learning Institute, Campus-Community Partnerships for Health, Leavenworth, WA
June 2003	Using Community Advisory Boards	Qualitative Research: Leading

	in Qualitative Research	the Way Toward a Deeper Understanding of Education and Society. 15 th Annual Ethnographic and Qualitative Research in Education Conference. Duquesne University, Pittsburgh, PA
February 2003	The Role of Community Advisory Boards in the Informed Consent Process	Center for Interpretative & Qualitative Research, Duquesne University, Pittsburgh, PA
January 2003	Voices for a New Tomorrow: A Community Assessment of the Lesbian, Gay, Bisexual and Transgender Community in Allegheny County	Persad's 30 th Anniversary Community Symposium Series. Pittsburgh, PA
October 2002	Impacting Health Disparities through the Socio-Ecological Model	Health Disparity Leadership Retreat: Building Capacity for a Regional Intervention to Eliminate Racial and Ethnic Health Disparities. Center for Minority Health, Graduate School of Public Health, Pittsburgh, PA
September 2002	Bioterrorism: Debriefing and Implications for Professional Preparation	ASPH Environmental Health Conference: Responding to a New Environment. Association of Schools of Public Health, Pittsburgh, PA
September 2002	Addressing Bioterrorism in SPHs: Turning Knowledge into Curricula	Bioterrorism: The Role of the Public Health Workforce. Environmental Health Pre-Conference Workshop. Association of Schools of Public Health, Pittsburgh, PA
April 2002	The Role of Churches in Health Promotion and Disease Prevention	The Church, The Family and the City: Creating a culture of healing in stressful times; Metro-Urban Institute,

		Pittsburgh Theological Seminary
February 2002	Community Consultation in Research: Challenges and Opportunities	Bioethics Grand Rounds, Center for Bioethics and Health Law, University of Pittsburgh
April 2001	Setting a Course for the Ethical Conduct of Community Based Education (QUINN, S. & Gamble, D.)	Office of the Provost, University of North Carolina at Chapel Hill
January 2001	Developing a Framework for Ethical Decision-Making in Community Based Education (Gamble, D. & QUINN, S.)	Office of the Provost, University of North Carolina at Chapel Hill
October 2000	Dealing with Three Big Issues in Community Based Education: Ethics, Cultural Sensitivity, and Interdisciplinary Programs	Office of the Provost, University of North Carolina at Chapel Hill
February 2000	Applied Research Ethics	The 2000 National Conference on African Americans and AIDS
February 2000	The Legacy of the Tuskegee Syphilis Study: Implications for Public Health Practice Today	22nd Annual Minority Health Conference. University of North Carolina at Chapel Hill

g. Contracts and Grants

Principal Investigator

2019- Research and Meeting Support; Report Drafting and Editing; and Project

- 2020 Management For Infant Mortality Study: African American Infants and Rural Community Infants. Maryland Health Care Commission. \$100,975.
- 2016-2021 Supplementing Survey-Based Analyses of Group Vaccination Narratives and Behaviors Using Social Media (joint with D. Broniatowski, George Washington University), 5R01GM114771, National Institute of General Medical Sciences, NIH
- 2015-2016 Public Understanding of Medical Countermeasures. US Food and Drug Administration. \$26,471.
- 2014-2015 Understanding Public Attitudes and Behaviors related to Vaccines. Tel Aviv University – University of Maryland Joint Research Workshop Grant. \$15,000.
- 2012-2014 Investigating Factors Associated with Participation of Racial & Ethnic Minority Populations in FDA Regulated Research. US Food and Drug Administration. \$25,000.
- 2012-2017 Center of Excellence on Race, Ethnicity and Health Disparities Research (P20MD006737) (joint PI with Thomas, S). National Center for Minority Health and Health Disparities, NIH. \$5.9 m
- 2012-2017 Uncovering and Addressing Cultural Beliefs behind Vaccine Racial Disparities (PI on investigator-initiated study within the Center of Excellence on Race, Ethnicity and Health Disparities Research (P20MD006737). National Center for Minority Health and Health Disparities, NIH.
- 2011-2013 Sub-contract from the Mid-Atlantic Public Health Training Center, Johns Hopkins Bloomberg School of Public Health, Health Resources and Services Administration (1 UB6HP22829-01-00) (Alexander, Hopkins PI), \$399,995 (sub-contract only)
- 2009 - 2012 Building Trust between Minorities and Researchers: ARRA/NIH Grand Opportunity Bioethics Research Infrastructure Initiative, National Center for Minority Health and Health Disparities and the Office of the Director, NIH (7RC2MD004766, joint PI with Thomas, S.), \$3,960,718
- 2009-2010 Factors affecting the willingness and ability of the public to accept a H1N1 influenza vaccine, treatment and follow mitigation recommendations. PI on Administrative Supplement to Preparedness and Emergency Response Research Center, Centers for Disease Control and Prevention (3P01TP000304-02W1), \$336,720
- 2009-2010 US Public Health Traineeship, Health Resources and Services Administration, \$76,000
- 2009 Pilot Grant: National Survey on H1N1 Influenza, Preparedness and Emergency

- Response Research Center, Centers for Disease Control and Prevention (3P01TP000304-02W1), \$30,500
- 2008-2010 Preparedness and Emergency Response Research Center, Centers for Disease Control and Prevention (3P01TP000304-02W1), \$8,456,192, Joint PI w/ M. Potter
- 2005-2006 US Public Health Traineeships, Health Resources and Services Administration, \$17,297
- 2004-2005 US Public Health Traineeships, Health Resource and Services Administration, \$19,885
- 2002-2004 Lessons for Risk Communication from the 2001 Anthrax Attack. Centers for Disease Control and Prevention and Association of Schools of Public Health, (S2136-21/21) \$200,000
- 1999-2000 Identifying Needs and Strategies for Reducing HIV/STD Risk Among Injection Drug Users and their Sex Partners in Durham, Carolina Center for Public Service, University of North Carolina, \$5,050
- 1998-2000 Content Analysis of Newspaper Coverage of Legislation on Needle Exchange Programs, University Research Council, University of North Carolina, \$2,500
- 1996-1998 Evaluation of Strategies for the Black Church Week of Prayer for the Healing of AIDS, University Research Council, University of North Carolina, \$1,704
- 1997 Public Attitudes toward Needle Exchange Programs, Junior Faculty Development Award, University of North Carolina, \$5,000
- 1997 Exploring Differences in Trust and Belief in AIDS as Genocide among Black and White Southerners: Implications for Public Health Research and Practice, Minority Health Research and Education Center Grant, University of North Carolina, \$4,125
- 1992-1993 Evaluation of a Church Based AIDS Education Program in Black Churches, Dissertation Award, Agency for Health Care Policy and Research, \$18,701

Pending proposals as either Principal Investigator or Co-investigator and Site PI

- 2020-2023 Resilient Online Linkages between Vaccines and Hate Speech in Australia and New Zealand. Co-I and Site PI to Broniatowski, D., PI, George Washington University. Minerva Research Institute, Department of Defense.
- 2020-2025 Characterizing Predictive Factors Underlying HPV Vaccine Misinformation Content and Provenance Online. Co-I and Site PI to Broniatowski, D., PI, George Washington University. National Cancer Institute, NIH.

Principal Investigator on Proposal Submission: unfunded

- 2018-2021 Identifying New Criteria to Increase Crisis and Emergency Message Reach and Effectiveness for Latinos with Limited English Proficiency. Centers for Disease Control and Prevention Broad Agency Announcement. \$1.5M.
- 2018-2022 Using Agent-Based Models To Reduce Vaccine Disparities In Seasonal And Pandemic Influenza. National Institute for Minority Health and Health Disparities, NIH. \$1.58M
- 2017-2022 MONARCH - Mobilizing A Community-Engaged Research Infrastructure to Reduce Cardiometabolic Risk Among Health Disparity Populations: A University of Maryland Center of Excellence (joint PI with Thomas, S). National Institute for Minority Health and Health Disparities, NIH. \$7.1M
- 2017-2020 Increasing Digital Health Literacy Among African Americans and Latinos. National Library of Medicine, NIH, \$299,813
- 2016-2021 The Mid-Atlantic Collaborative Center to Prevent Cardiometabolic Syndrome Among African Americans (RFA-MD-15-014). National Institute for Minority Health and Health Disparities, NIH. \$11,196,991, joint PI w/ S. Thomas
- 2016-2021 Flu Vaccine Multilevel Intervention for Patients with Cardiometabolic Syndrome. A sub-project within The Mid-Atlantic Collaborative Center to Prevent Cardiometabolic Syndrome Among African Americans (RFA-MD-15-014). National Institute for Minority Health and Health Disparities, NIH. \$2,079,632.

Co-Investigator

- 2016-2017 Beyond Affordable Medical Care and Universal Insurance Coverage: Addressing the Social Determinants of Health to Eliminate Health Inequalities (S. Thomas and V. Coates, PI). Ulster-UMD Joint Research Workshop, a program of The University of Maryland and Ulster University in the United Kingdom
- 2014-2019 National Research Mentor Network. Sub-contract from University of Wisconsin-Madison. National Institutes of Health (Pfund, PI)
- 2013-2014 Strengthening Mentorship for a Diversified Biomedical Research Workforce. Sub-contract from the University of Wisconsin-Madison. National Institutes of Health (Sorkness, PI)
- 2012-2014 Maryland Veterans' Resilience Initiative, Maryland Department of Health and Mental Hygiene, \$421,941 (Koblinsky, PI)
- 2012-2014 Co-investigator, sub-contract from the Collaborative Center for Health Equity, University of Wisconsin, \$75,000 annually (Thomas, PI)

- 2007-2013 Research Center of Excellence on Minority Health Disparities; National Center for Minority Health and Health Disparities, NIH (PG60MD000207), \$4,812,355, (Thomas, PI)
- 2002-2007 Project EXPORT—Excellence in Partnerships for Community Outreach, Research on Health Disparities Training; National Center for Minority Health and Health Disparities, NIH (5P60MD00207), \$5,942,105, Thomas (PI)
- 1998-2000 Community Outreach Partnership Center, US Department of Housing and Urban Development, \$598,078 (Rohe, PI)
- 1988 A Survey of the Response of Health Education & Public Health Professional Preparation Programs to the HIV/AIDS Epidemic, Association for the Advancement of Health Education, \$300 (Thomas, PI)

h. Fellowships, Prizes, and Awards

- 2019 *Ann Nolte 2019 Writing Award for our publication, *Weaponized Health Communication: Twitter Bots and Russian Trolls Amplify the Vaccine Debate*, in the *American Journal of Public Health*
- 2016-2021 Fellow, Fulbright Senior Specialist Program Roster
- 2006-2011 Fellow, Fulbright Senior Specialist Program Roster
- 2010 Fulbright Senior Specialist Grantee, Universidade de Fortaleza, Brazil
- 2006-2007 Selected Fellow, 2006-2007, Hedwig van Ameringen Executive Leadership in Academic Medicine Program for Women
- 2005 Health Education Mentor Award, Society for Public Health Education
- 2002-2003 Fellow, National Public Health Education Leadership Institute
- 2000-2001 Selected Participant in the American Association for the Advancement of Science Course: *Racial and Ethnic Minorities as Research Subjects: Challenges for Research Ethics*
- 1999 Nominee for the Ernest A. Lynton Award for Faculty Professional Service and Academic Outreach, New England Resource Center for Higher Education, University of Massachusetts-Boston
- 1999 Inducted into Delta Omega Society

3. Teaching, Mentoring, and Advising

a. Courses taught in the last five years.

<i>Years Taught</i>	<i>Course Number: Title</i>	<i>Credits/Average Enrollment</i>	<i>Role in course</i>
2019-2020	FMSC 879: Preparing Future Faculty and Professionals	7	Instructor
2018-2019	FMSC 879: Preparing Future Faculty and Professionals	6, Spring only	Instructor
2017-2018	FMSC 879: Preparing Future Faculty and Professionals	10 (fall 2017), 6 (spring 2018)	Instructor
2016-2017	FMSC 879: Preparing Future Faculty and Professionals	14 (fall 2016); 13 (spring 2017);	Instructor
2009	PUBH-6670-0V1 Solutions to Health Disparities: Less Talk, More Action, University of Colorado School of Public Health	1 credit; 30	Instructor

2008-2010	PUBHLT 2022 Dean's Public Health Grand Rounds, Graduate School of Public Health, University of Pittsburgh	0 credits; 295 in fall 2008; 182-spring 2009;	Administrative responsibility
2008-2010	PUBHLT 3000 Introduction to Translational Research in the Health Sciences, Graduate School of Public Health, University of Pittsburgh	3 credits; 28	Developed portion of course; provide oversight for GSPH enrolled students
2006-2010	PUBHLT 2017 Public Health Teaching Practicum, Graduate School of Public Health, University of Pittsburgh	1 credit; average 5 students	Developed course with Center for Instructional Design and Distance Education (CIDDE); administrative responsibility only
2005-2010	PUBHLT 2013 Methods of Teaching, Graduate School of Public Health, University of Pittsburgh	1 credit; average 6 students	Developed course with Center for Instructional Design and Distance Education (CIDDE); administrative responsibility only
2003-2009	BCHS 2572: Risk Communication, Graduate School of Public Health, University of Pittsburgh	3 credits; average 19 students	Sole faculty; developed and taught

b. Course or Curriculum Development.

As Associate Dean for Student Affairs and Education at the Graduate School of Public Health, University of Pittsburgh, I

- Led development of the Graduate Certificate in Public Health Preparedness and Disaster Response and the Graduate Certificate in Minority Health and Health Disparities, and provided technical assistance for the creation of multiple other certificates, including the LGBT Health and Wellness Certificate
- Developed and taught a graduate course in Risk Communication for multiple years
- Developed two graduate courses, Overview of Minority Health and Health Disparities, and Health Disparities Research: Methods and Interventions
- Proposed, received, initiated and directed a Peace Corps Master's International program with tracks in multiple MPH degrees

- Led a major revision of the school wide core curriculum that met and exceeded CEPH requirements.

c. *Manuals, Notes, Software, Webpages, and Other Contributions to Teaching.*

As Associate Dean for Student Affairs and Education at the Graduate School of Public Health, University of Pittsburgh, I initiated and/or created the following programs or resources to enhance teaching:

- Certificate in Teaching Excellence (<http://www.publichealth.pitt.edu/docs/FacultyTeachingCertificate.pdf>)
- Annual series of teaching workshops that included 3-4 workshops, planned with the Center for Instructional Design and Distance Education
- Assessment of Faculty Teaching Needs (done two years)
- Teaching Resources section of website: <http://www.publichealth.pitt.edu/interior.php?pageID=3370>
- Monthly Faculty Update sent electronically to faculty
- Two Academic Integrity modules-one for faculty and one for students (see <http://cme.hs.pitt.edu/servlet/IteachControllerServlet?actiontotake=loadmodule&moduleid=7601&dev=true>)
- Expansion of recognition of Craig Teaching Award winner and nominees
- Two teaching methods courses for doctoral students
- Initiated a new annual One Book, One Community program.

At the University of North Carolina, I, in collaboration with Dorothy Gamble, School of Social Work, initiated and created:

- Multiple faculty workshops on ethics and community based education
- *A Manual for Ethical Considerations in Community-Based Education*, 2003, University of North Carolina, Chapel Hill, Carolina Center for Public Health.

d. *Teaching Awards and Other Special Recognition.*

2008	ASPH/Pfizer Public Health Academy for Distinguished Teachers
2008	Nominee for the ASPH/Pfizer Award for Teaching Excellence
2005	Health Education Mentor Award, Society for Public Health Education

e. *Advising: Other than Research Direction.*

- *Graduate.*

Advisor, Doctoral Students, FMSC

<i>Dates</i>	<i>Name</i>	<i>Program/Department</i>
2016-2019	Jessica Gleason	MCH, Department of Family Science
2016-present	Yuki Lama	MCH, Department of Family Science
2016-present	Naheed Ahmed	FMSC, Department of Family Science

Mentoring of Graduate Students in Field Placements

2008	Supriya Kumar	Community Based Participatory Monitoring of Health Care Facilities in India	Support for Advocacy and Training to Health Initiatives (SATHI-CEHAT), Pune, India
2000	Yalonda Lewis*	Implementing and Evaluating a Culturally Appropriate STD/HIV Peer Educator Program with Barbers and Beauticians	Durham County Health Dept
2000	Lori Schowalter	Needs assessment of injection drug users and their partners for HIV/STD prevention	Durham County Health Dept and Durham Center for Mental Health and Substance Abuse
2000	Lara Shain*	Implementing and Evaluating a Culturally Appropriate STD/HIV Peer Educator Program with Barbers and Beauticians	Durham County Health Dept
2000	Rachel Stevens	Development of Health Communication Materials for Child Health in Rural Cambodia	Partners for Development
1998	Ahna Ballonoff*	Development and Implementation of Training in HIV Counseling and Testing for SHAC	Office of the Provost, University of North Carolina
1998	Mary Ellen Cunningham*	Development and Implementation of Training in HIV Counseling and Testing for SHAC	Office of the Provost, University of North Carolina
1997	James Emery*	Development of training and protocols for clinics in SHAC: Student Health Action Coalition	Office of the Vice Provost for Health Affairs, University of North Carolina
1997	Holly Favell	Development of patient education materials to improve communication between pediatricians and parents	Department of Community Pediatrics, UNC

1997	Bryan Kim	Development of training on focus groups and other activities to improve the state mandated Community Diagnosis process	State Center for Health Statistics, Raleigh, NC
1997	Meredith Larson	Lay health advisor training for migrant farm workers	Department of Health, Wake County, NC
1997	Kathy Lynch	Developing of materials and plan to increase use of family planning clinic	Coles County Health Department, Charleston, IL
1997	Katie Rubanowice	Development of counseling guide on abnormal cancer screening results for women with limited literacy	NC Breast and Cervical Cancer Control Program, Raleigh, NC
1996	Caroline Bishop	Lay health advisor training for Latino farm workers	Department of Health, Wake County, NC
1996	Nancy Eberle	Coordination of a teen peer AIDS education program using theater	Chatham County Health Department, Pittsboro, NC
1996	Laura Smith	Development of the Red Box Program for Discarded Needles	School of Public Health, Johns Hopkins University, MD
1996	Sheryl Taylor	Planning and implementing a retreat for HIV-positive women and their children: Addressing Issues of Custodial Arrangements for their Children	Project Tapestry/Family Services in the Carolinas, Inc., Durham, NC
1996	Sarah Thach	Creating a Community Center in a Historically Black School	Nash County chapter of the NAACP, Spring Hope, NC
1996	Marta Zaineddin	Development of a public relations campaign and community support network for needle exchange in Durham	AIDS Service Agency, Raleigh, NC
1995	Cheryl Turner	Leadership in Health Education for Inner City Women	Young Women's Project, Washington, D.C.

*North Carolina Schweitzer Fellows

iii. *Other advising activities.*

- 2003-2006 Founding Member, Lesbian, Gay, Bisexual, Transgender, Queer Alliance, University of Pittsburgh
- 1998-2000 Faculty Advisor, Public Health Students for Gay and Lesbian Health, School of Public Health, University of North Carolina
- 1996-2000 Faculty Advisor, Student Health Action Coalition, School of Medicine, University of North Carolina

f. *Advising: Research Direction.*

i. *Undergraduate.*

- 2006 Service on honors thesis committee for Thomas Silversman, Bachelor of Philosophy, University of Pittsburgh. Title: Responses to HIV/AIDS in the Meheba Refugee Settlement; Maximizing Community Capacity and Competence

ii. *Graduate.*
