

## **CURRICULUM VITA**

MIN QI WANG, PH.D.  
PROFESSOR  
DEPARTMENT OF BEHAVIORAL AND COMMUNITY HEALTH  
SCHOOL OF PUBLIC HEALTH  
UNIVERSITY OF MARYLAND  
SUITE 2387 VALLEY DRIVE  
COLLEGE PARK, MD 20742

Phone (301)405-6652  
Fax (301)314-9167  
E-MAIL: MQW@UMD.EDU

### **I. Working Experience**

2001-present, Professor (tenured), Department of Behavioral and Community Health, University of Maryland.

1994 - 2000, Professor (tenured), Department of Health Science, University of Alabama.

1994 - 2000, Adjunct Professor, School of Public Health, University of Alabama at Birmingham

1991 - 1994, Associate Professor (tenured), Department of Health Science, University of Alabama.

1988 - 1991, Assistant Professor, Department of Health Education, Pennsylvania State University, University Park.

1987 - 1988, Postdoctor/Instructor, Department of Health Education, Pennsylvania State University, University Park.

### **II. Education**

1987, Ph.D., Arizona State University, Tempe, Arizona.

1981, M.S., Florida State University, Tallahassee, Florida.

### **III. Funded Grants/Contracts (Total=102)**

1. Culturally Adapted Multilevel Decision Support Navigation Trial to Reduce Colorectal Cancer Disparity among At-Risk Asian American Primary Care Patients. R01 subcontract, funded by National Institute of Health (NIH), from the University of California - Irvine (\$167,963, 3/1/2020-2/28/2022, University of Maryland site Principal Investigator)
2. Strengthening the Capacity of Rural Maryland to Prevent Opioid Misuse by University of Maryland Extension. 1H79TI08256101, funded by DHHS-Substance Abuse and Mental Health Services Administration, (\$1,099,856, 9/30/2019 – 9/29/2021, Co-principal investigator).
3. Extracting and mapping lead water indicator data for public schools. Funded by Maryland Department of Environment, (\$48,100, 5/1/2019 – 4/30/2020, principal investigator).
4. Effects of Hospital-Community-Public Health Integration on Racial and Ethnic Disparities in Mental Health, R01MD011523, funded by NIH- National Institute on Minority Health and Health Disparities (\$2,250,000, 2017-2022, co-investigator).
5. Framing HPV vaccination messages for African American parents, 1R01CA219060-01. Funded by National Cancer Institute (NCI) of the National Institutes of Health (NIH) (\$2,212,269, 2018-2023, co-investigator).
6. Environmental Public Health Tracking Program. Funded by the Centers for Disease Control and Prevention (CDC) cooperative agreements via STMD-Maryland Department of Health. Federal Award Identification Number (FAIN) 6 NUE1EH001355 (\$400,000, 8/31/2017 - 7/31/2019, principal investigator).
7. An integrated substance use, violence, and HIV/AIDS syndemic risk-reduction intervention for African American Couples, R03DA044866, funded by NIH-National Institute on Drug Abuse (\$146,309, 9/1/2017 - 8/31/20209, co-investigator).
8. Maryland AIDS Drug Assistance Program (MADAP) Client Services Systems. Funded by STMD-Maryland Department of Health cooperative agreement (\$333,334, 7/1/2017 - 6/30/2019, principal investigator).
9. Study of the Healthcare System in the Mid-Shore Region/ Rural Healthcare Study, funded by Maryland Health Care Commission (MHCC) (\$450,000, 9/1/2016 - 8/31/2017, co-investigator).
10. Bioethical Issues in Biostatistical Consulting (BIBC): A Phase II Study. Grant No: 1 ORIR160027-01-00, funded by Office of Public Health and Science, Department of Health and Human Services (DHHS) (\$506,198, 9/1/2016 - 8/31/2018, principal investigator).
11. Environmental Public Health Tracking Program 2016-2017. Funded by STMD-Maryland Department of Health and Mental Hygiene - supported by Centers for

- Disease Control and Prevention (CDC) cooperative agreements (\$180,000, 8/31/2016 - 7/31/2017, principal investigator).
12. Environmental Public Health Tracking Program (supplement). Funded by STMD-Maryland Department of Health and Mental Hygiene - supported by Centers for Disease Control and Prevention (CDC) cooperative agreements (\$69,030, 2016, principal investigator).
  13. Bioethical Issues in Biostatistical Consulting (BIBC): A Phase I Study. 1 ORIR150017-01-00, funded by Office of Public Health and Science, Department of Health and Human Services (DHHS) (\$112,961, 9/1/2015 - 8/31/2016, principal investigator).
  14. Perinatal and Infant Oral Health Quality Improvement (PIOHQI) Survey of Maryland. Funded by the Prevention and Health Promotion Administration, Office of Oral Health, DHMH (\$480,857 – 2015-2019, co-investigator).
  15. Environmental Public Health Tracking Program (Option Year two). Funded by STMD-Maryland Department of Health and Mental Hygiene - supported by Centers for Disease Control and Prevention (CDC) cooperative agreements (\$200,000, 8/31/2015 - 7/31/2016, principal investigator).
  16. Self-affirmation and responses to smoking risk messages among African Americans. R21CA187631, funded by National Institute of Health (\$410,980.00, 2014-2016, co-investigator).
  17. Environmental Public Health Tracking Program (Option Year). Funded by STMD-Maryland Department of Health and Mental Hygiene - supported by Centers for Disease Control and Prevention (CDC) cooperative agreements (\$150,000, 8/31/2014 - 7/31/2015, principal investigator).
  18. Behavioral Intervention to Reduce Breast Cancer Disparity in Underserved Koreans. R21 CA178471-01, funded by National Institute of Health (\$358,702, 8/1/13-7/31/15, co-investigator).
  19. Development of Research HARBOR (Helping Advance Research by Organizing Resources). Contract funded by University of Maryland School of Medicine (\$72,000, 08/1/2013 - 07/31/2014, principal investigator).
  20. Lay Health Worker Intervention to Reduce Liver Cancer Disparities Among Asian Americans. R21 funded by National Institute of Health (\$231,656, 04/15/2012 - 03/31/2014, co-investigator).
  21. Capacity Development of Regional Environmental Public Health Tracking Program. Funded by STMD-Maryland Department of Health and Mental Hygiene (\$60,000, 7/1//2012 - 7/31/2012, principal investigator).
  22. Substance Abuse and HIV/AIDS Integrated Prevention Services for Black Women, funded by Prince George's Community Foundation (\$100,000, 1/1/2012 – 09/29/2013, co-investigator).

23. Message Framing and HPV Vaccination Acceptance among African Americans 1R03CA150570-01A1, funded by NIH/NCI (\$150,000, 09/01/2011 – 08/31/2013, co-investigator).
24. National Environmental Public Health Tracking Program Continuation. Funded by STMD-Maryland Department of Health and Mental Hygiene - supported by Centers for Disease Control and Prevention (CDC) cooperative agreements (\$945,000, 8/31/2011 - 7/31/2014, principal investigator).
25. Prevention and Early Detection of Dental Caries: The Maryland Health Literacy Model II. Funded by the DentaQuest Foundation (\$260,447, 12/1/2009-5/31/2012, Co-investigator).
26. The Development of auto data loader for query and GIS for Environmental Public Health Tracking Program. Funded by Center for Disease Control and Prevention (CDC) via STMD-Maryland Department of Health and Mental Hygiene (\$60,000, 5/1/2011 - 7/31/2011, principal investigator).
27. Developing an Electronic Field Sheet System for the Maryland DNR's Tidal Water Quality Monitoring Programs. Funded by Department of Natural Resources (\$32,000, 6/1/2011 – 7/31/2011, principal investigator).
28. Maryland Oral Health Literacy Campaign Initiative. Funded by STMD-Maryland Department of Health and Mental Hygiene (\$220,000, 03/15/2011 - 06/30/2012, co-investigator).
29. Implementation of Evidence-Based Cancer Early Detection in Black Churches R01 CA147313. Funded by National Cancer Institute (\$3,154,016, 2011-2015, Co-investigator).
30. National Environmental Public Health Tracking Program. Funded by Center for Disease Control and Prevention (CDC) via STMD-Maryland Department of Health and Mental Hygiene (\$254,970, 8/1/2010 - 7/31/2011, principal investigator).
31. Knowledge, Opinions & Practices about Oral Cancer Prevention of Maryland Adults. Funded by STMD-Maryland Department of Health and Mental Hygiene (\$33,000, 07/01/2010 - 06/30/2014, Co-investigator).
32. Prostate Cancer Education in African American Churches. Funded by the American Cancer Society (\$1,624,000, 07/01/2010 - 06/30/2014, Co-investigator).
33. Prevention and Early Detection of Dental Caries: The Maryland Health Literacy Model. Funded by the DentaQuest Foundation (\$331,342, 12/1/2009-12/31/2010, Co-investigator).
34. National Environmental Public Health Tracking Program – Supplement funded by Center for Disease Control and Prevention (CDC) via STMD-Maryland Department of Health and Mental Hygiene (\$130,000, 8/1/2009 - 7/31/2011, principal investigator).

35. Reducing Health Disparities in Maryland along the National Capital Border. U48DP001929 Funded by Centers for Disease Control and Prevention (\$2,500,000, 09/30/2009 - 09/29/2014, co-investigator).
36. Common Baseline Assessment. Funded by Recovery Science LLC (\$15,000, 10/09/2009 - 10/08/2010, co-investigator).
37. Religion-health Mechanisms among African American Men and Women. Funded by Duke University, Center for Spirituality, Theology and Health (\$200,000, 2/01/2008 – 1/31/2010, co-investigator).
38. Environmental Protection Agency FY08 Exchange Network – Water Quality Exchange II (WQX II). Funded by EPA Challenge Grant Cooperative Agreement OS-83404801-0 (\$218,000, 12/31/2009 – 9/15/2010, principal investigator).
39. Physical attributes of firefighting performance. Funded by the Department of Homeland Security (\$101,000, 8/4/07 - 8/3/09, co-investigator).
40. Strength training, self-efficacy, and function in blacks with prostate cancer. R21 funded by National Cancer Institute (\$402,975, 1/1/08 - 12/31/09, co-investigator).
41. Genetics of in vivo and in vitro endothelial function in African Americans. R01 HL085497, funded by NIH/NHLBI via Temple University (\$2,999,810, 9/01/07 – 08/31/12, co-investigator).
42. National Environmental Public Health Tracking Program. Funded by STMD-Maryland Department of Health and Mental Hygiene - supported by Centers for Disease Control and Prevention (CDC) cooperative agreements (\$419,796, 3/3/2008 - 7/31/2010, principal investigator).
43. Consumer-Direction Technical Assistance Institute/Consumer and Representative Section. Funded by Robert Wood Johnson Foundation (\$353,223, 9/1/08-8/31/11, co-investigator).
44. Enhancement of Data Submission Procedures for the Water Quality Exchange Web Data Collection System and Upgrade of the WQX GIS Design. Funded by Environmental Protection Agency Challenge Grant Cooperative Agreement S-83261701-0 (\$91,457, 2008-2009, principal investigator).
45. Monitoring the Future of Maryland Traffic Safety Programs. Funded by Maryland Department of Transportation, State Highway Administration (\$94,446, 10/1/07 - 9/30/08, co-investigator).
46. Environmental Protection Agency Challenge Grant: Integration of Water Data Collection and Management Among Local and State Agencies. Funded by Maryland Department of Environment, OS-83261701-0 (\$503,655, 9/1/2006 – 6/30/2009, principal investigator).

47. Monitoring the Future of Maryland Traffic Safety Programs. Funded by Maryland Department of Transportation, State Highway Administration (\$94,000, 10/1/06 - 9/30/07, co-investigator).
48. Adolescent Physical Activity in the Urban Environment. Funded by Robert Wood Johnson Foundation (\$450,000, 1/1/05 -12/31/08, co-investigator).
49. Cash and Counseling: Next Steps, Technical Assistance and Direction. Funded by Robert Wood Johnson Foundation and U.S. Department of Health and Human Services via sub-contract from Boston College (\$98,000, 2006-2007, co-investigator).
50. Monitoring the Future of Maryland Traffic Safety Programs. Funded by Maryland Department of Transportation, State Highway Administration (\$122,000, 10/1/05 - 9/30/06, co-investigator).
51. Peer Review Tool - Sample Size Determination for Experimental Studies. Funded by the Office of Research Integrity, Department of Health and Human Services (\$100,000, 2006-2007, principal investigator).
52. Peer Review Tool - Sample Size Determination for Experimental Studies. Funded by the Office of Research Integrity, Department of Health and Human Services (\$25,000, 10/1/2005 - 9/30/2006, principal investigator).
53. Cash and Counseling Demonstration and Evaluation Public Use Files. Funded by U.S. Department of Health and Human Services, Assistant Secretary for Planning and Evaluation (\$48,000, 9/30/04 - 9/30/05, co-investigator).
54. Development of a Peer Review Tool – Data Analysis. Funded by the Office of Research Integrity, Department of Health and Human Services (\$26,000, 2004-2005, principal investigator).
55. Monitoring the Future of Maryland Traffic Safety Programs, funded by Maryland Department of Transportation, State Highway Administration (\$122,124, 10/1/04 - 9/30/05, co-investigator).
56. Cash and Counseling Demonstration and Evaluation Interactive Website Project. Funded by Robert Wood Johnson Foundation (\$29,784, 9/1/04-8/31/05, co-investigator).
57. Monitoring the Future of Maryland Traffic Safety Programs, funded by Maryland Department of Transportation, State Highway Administration (\$140,200, 10/1/03 - 9/30/04, co-investigator).
58. Assessing Bioethical Issues in Data Analysis. Funded by the National Center for Bioethics in Research and Health Care (\$15,000, 2003-2004, principal investigator).
59. Web-Based Oral Cancer Surveillance System. Funded by the New York University Oral Cancer Research for Adolescent and Adult Health Promotion Center (\$15,000, 2002-2003, F532102, principal investigator).

60. Monitoring the Future of Maryland's Traffic Safety Programs & An Integrated Web-based System. Funded by the Maryland Highway Safety Office, Maryland Department of Transportation (\$145,005, F5315-11, 10/1/2002 – 9/30/2003, co-investigator).
61. HIV web-based evaluation system for the Alabama HIV prevention and control evaluations. Funded by the Alabama Department of Health (\$32,000, 4-KT1-02, 2001-2002, principal investigator).
62. A model intervention for increasing African-American's intent to donate in two counties in Alabama. Funded by the Department of Health and Human Services – Office of Special Programs Division of Transplantation (\$234,725, 2001-2003, co-investigator).
63. Developing a web-based evaluation system for the Alabama HIV prevention and control evaluations. Funded by the Alabama Health Department (\$49,500, 4-KT1-01, 2000-2001, principal investigator).
64. The effect of cheese intake on nutrient intakes in the U.S. population. Funded by the Dairy Management Incorporated (\$8,500, June 2000-Dec 2000, principal investigator).
65. Developing tools and methods to study the use, impact and cost effectiveness of prostate cancer screening. Funded by the NIH via UAB Prevention Research Center (\$650,000, 2000-2003, co-investigator).
66. The impact of added sugars on the diet quality of children's diets. Funded by the Northeast Dairy Foods Research Center (\$49,172, for 2000-2001, principal investigator).
67. Birmingham community based outreach. Funded by the SAMHSA-Center for Substance Abuse Treatment (\$324,112, 5 H1N TI11145-02, 1999-2001, co-investigator).
68. Outpatient and inpatient satisfaction survey for the VA hospital. Funded by the Department of Veterans Affairs, Employee Education System (\$12,000, 1999, principal investigator).
69. Adult identity mentoring project. Funded by the Center for Disease Control and Prevention (CDC) via University of Alabama at Birmingham (\$15,000, 1999-2000, principal investigator).
70. The effect of flavored milk on the diet quality of children's diets. Funded by the Northeast Dairy Foods Research Center (\$73,130, 1999-2000, principal investigator).
71. National cardiovascular disease risk of minority elders. Funded by the Academic Research Enhancement Award, the National Institute of Health (\$74,992, 1R15AG15818, 1999-2000, principal investigator).

72. Determining prostate cancer and lifestyle practices among African-American SDA and non-SDA men. Funded by the US Army Medical Research Command (\$58,224, DAMD17-99-1-9050, 1998-1999, co-investigator).
73. Program development and evaluations for the family preservation project, Department of Human Resources. Funded by the Alabama Department of Human Services (\$68,000, 1997-1999, principal investigator).
74. A health risk appraisal of naval special operations personnel. Funded by the Department of Navy in conjunction with the Naval Aerospace Medical Research Laboratory (\$75,000, 1998-1999, principal investigator).
75. Predictors of milk consumption in U.S. school-aged children: evidence from USDA Nationwide Food Consumption Surveys. Funded by the USDA Hatch Grant (\$54,450, 1997-1999, principal investigator).
76. Birmingham community based outreach. Funded by the SAMHSA-Center for Substance Abuse Treatment (\$414,542, 1995-1998, 5 H1N TI11145-02, co-investigator).
77. HIV prevention in African-American adolescent females (via University of Alabama at Birmingham). Funded by the U.S. Department of Health and Human Services (\$35,000, 1996-1998, principal investigator).
78. Using social networks to reduce risky sex in HIV+ women (via University of Alabama at Birmingham). Funded by the U.S. Department of Health and Human Services (\$30,000, 1996-1998, principal investigator).
79. African-American Adolescents Smoking Process. Funded by the National Heart, Lung, and Blood Institute, U.S. Department of Health and Human Services (\$34,600, R03 HL53338, 1995-1997, principal investigator).
80. The Effect of Milk, Juice, and Soft Drink Consumption on the Diet Quality of the Noon-Time Meals of U.S. School Children. Funded by the Dairy Management Council and subcontracted by the University of Vermont (\$11,363, 1995-1996, principal investigator).
81. Prediction of Work Tolerance in Encapsulating Protective Clothing from Simple Field Test. R01 funded by the National Institute of Health, U.S. Department of Health and Human Services (\$322,524, R01-OH03015, 1994-1995, co-investigator).
82. The Effect of Parental Smoking on the Quality of Low-Income Children's Diets. Funded by the Program "Human Nutrient Requirements for Optimal Health", U.S. Department of Agriculture (\$41,081, 1993-1994, co-principal investigator).
83. DCH Regional Medical Center Sports Medicine Grant. Funded by DCH Medical Center, Alabama (\$25,000, 1993-1994, co-investigator).

84. Food Consumption Practices of Americans. Funded by the National Dairy Promotion Board through the Pennsylvania State University (\$10,000, 1992-1993, principal investigator).
85. Community Clinics' Hypertension Control Project. Funded by the Scientific Programs, National Heart, Lung, & Blood Institute (\$3,000, 1992, principal investigator).
86. Blood Alcohol Concentration and Cardiovascular Impairment During Aerobic Work Capacity. Funded by a subcontract from the Pennsylvania State University Biomedical Research Grant (\$4,000, 1992, principal investigator).
87. Developing and Demonstrating a Food Guidance System to Implement the Dietary Guidelines. Funded by a subcontract from the National Livestock and Meat Board (\$10,000, 1992, principal investigator).
88. Red Meat Intake by the U.S. Population: 1988 Nationwide Food Consumption Survey. Funded by a subcontract from the National Livestock and Meat Board (\$2,700, 1991, principal investigator).
89. DCH Regional Medical Center Sports Medicine Grant. Funded by DCH Medical Center, Alabama (\$13,750, 1991, co-investigator).
90. A Comprehensive Drug Education and Prevention Program for Student-Athletes: A Life Skills-Experiential Learning Model. Funded by NCAA Drug Education Program (\$25,000, 1990-1991, co-investigator).
91. An Analysis of the Effect of a Worksite Health Promotion Program on Health Risk, Absenteeism and Turnover Among Hotel Employees. Funded by an Interdisciplinary Research Grant for the College of Health and Human Development, Penn State University (\$3,075, 1990-1991, co-investigator).
92. Factors Related to Women and Children's Intake of Milk and Milk Products. Funded by a contract from U.S. Department of Agriculture (\$3,000, 1990, principal investigator).
93. Red Meat Consumption and Diet Quality of U.S. Males and Females One Year and Older. Funded by a grant from the National Live Stock & Meat Board (\$40,373, 1990, co-principal Investigator).
94. Development and Evaluation of Penn State Faculty/Staff Health Promotion Program. Funded by a contract from the Human Resources, Pennsylvania State University (\$3,500, 1990, principal investigator).
95. Rural Adolescent Development in Rural Pennsylvania. Funded by the National Institute of Health Adolescent Development Office (\$4,620, 1989-1990, subcontract principal investigator).

96. The Effects of Alcohol Intoxication on Human Reflex Response. Funded by the College of Health and Human Development Interdisciplinary Research Projects Grant (\$3,000, 1989, principal investigator).
97. Equilibrium Analysis of Forest Recreation Demand and Supply Patterns. Funded by the U.S. Department of Agriculture Forest Service (\$13,000, 1988-1989, co-investigator).
98. Evaluation of a Drug Education Program Directed at College Students. Funded by the Office of Health Promotion and Education, Penn State University (\$4,000, 1989, subcontract principal investigator).
99. Factors Related to Women and Children's Intake of Milk and Milk Products. Funded by a subcontract from U.S. Department of Agriculture (\$7,000, 1989, subcontract principal investigator).
100. Testing a Model to Predict Eating Behavior change by Women in a Weight Reduction Program. Funded by a contract from National Dairy Council (\$30,000, 1989, subcontract principal investigator).
101. Knowledge and Attitudes of AIDS in a Sample of Rural Nurses. Funded by subcontract from Northeast Center for Rural Development (\$1,800, 1989, principal contractor).
102. Evaluation of Non-Consumptive Economic Values of Wildlife in Pennsylvania. Funded by the U.S. Department of Agriculture Forest Service (\$30,000, 1988, co-principal Investigator).
