\*\* If you change your major to KNES or are transferring from another institution, you should plan to take KNES201 instead of KNES200. KNES201 is a 1 credit course.

\*Distributive Studies (DSSP, DSHU) courses can double count with I-Series (SCIS) and/or Diversity (DVUP/DVCC) GenEd.

# Students should confirm with their professional programs of interest which EDHD and PSYC courses satisfy pre-req requirements.

<sup>^</sup> 120 credits is the minimum needed to earn your degree. Students can take additional elective courses to surpass the 120 credit minimum.
