

Unofficial Academic Planning Form: KNES + Pre-Physician Assistant

Visit the Reed-Yorke Pre-PA website <https://www.prehealth.umd.edu/physicians-assistant-2>.

Note: these plans assume a math placement of MATH113. You can adjust your plan to take BSCI/CHEM courses earlier if you have AP/IB or transfer credit for MATH140, or have a placement of MATH120 or MATH140.

Courses that are pre-requisites for PA School and are not required for the KNES major are indicated with a [PA] after the course code.

Year 1		Year 2		Year 3		Year 4

Cumulative Credits: <u>31</u>		Cumulative Credits: <u>60</u>		Cumulative Credits: <u>93</u>		Grand Total 120^{^^}	

[^]^ If you change your major to KNES or are transferring from another institution, you should plan to take KNES201 instead of KNES200. KNES201 is a 1 credit course.

* Distributive Studies (DSSP, DSHU) courses can double count with I-Series (SCIS) and/or Diversity (DVUP/DVCC) GenEd

** Some PA programs may want Abnormal or Developmental PSYC – please meet with a Pre-PA advisor to discuss which course is an appropriate fit.

[^] Note the CHEM sequence at UMD is Gen Chem I, Orgo I, Orgo II, Gen Chem II. Please discuss with a pre-PA advisor if you should instead take Gen Chem II or BioChem (BCHM) at another institution.

^{^^} 120 credits is the minimum needed to earn your degree. Students can take additional courses to surpass the 120 credit minimum.
