I. Introductions

- a. All attendees introduced themselves on both the phone and in-person

II. Content Expert Presentation

- a. Health in All Policies Presentation – Dr. Keshia Pollack, Johns Hopkins Bloomberg School of Public Health
 - i. Presentation topics consisted of:
 - 1. Health in All Policies (HiAP) definition and background
 - 2. How HiAP integrates considerations about health impacts into “non-health” decision-making
 - 3. Key elements of HiAP
 - 4. HiAP work in California

III. Discussion and Workgroup Introductions

- a. Group questions and Discussion
 - i. Agencies are already collaborating with health but may not be calling it Health in All Policies
 - ii. Focus on population health
 - iii. Inventory of agencies’ policies related to health
 - iv. Recommendations of how to move forward with policy with health at the table
 - v. Explore ways to work with local planning and zoning boards to collaborate on health policy

vi. Including non-profit, financial institutions, community/neighborhood networks, and law enforcement organizations are important to be included in HiAP conversations

vii. Montgomery County has established a HiAP Workgroup

IV. Meeting adjourned at 1:00 PM
