Proactively promoting health, wellness and resiliency through strength-based communications, training, curriculum, research and assessment for our diverse communities across campus, Maryland, the nation and the world.

**Spreading a Little Happiness**
Dopamine boosts feelings of happiness. Complete a task on your to-do list to reinforce an accomplishment and increase dopamine!

**The Well Terp**
This week's tips include information on creating healthy work environments, nature's benefits and ways to get your nutrients.

Find science-based wellness tips for healthy and happy living in our weekly feature, The Well Terp.

Read The Well Terp

**Some Good News**
Our Happiness & Wellness Initiative shares "Some Good News" from the SPH and our extended community, inspired by SGN: Some Good News with John Krasinski.
